LIQUOR STORE BURGLARIES

STATEWIDE SERIES (June 13, 2008 – June 11, 2010)

The City of Port St. Lucie had two liquor store burglaries on 6/5/10 in the early morning hours between 0409 – 0514 hrs. Three male suspects smashed the front glass doors of both liquor stores and used recycling bins to transport multiple bottles of high-end liquor. The suspects were dressed in dark clothing wearing black gloves; one of the three suspects wore a black ski "type" mask and another suspect wore a hat. One of the three suspects is a black male. The suspect's vehicle is described as a dark colored mini-van.

This group of suspects in this current spree of incidents is similar to suspects' descriptions and modus operandi of several recent incidents occurring on the east and west coast of Florida and the group is believed to be the same group responsible for the previous burglary at Harry's Liquor on 6/13/08. There have been 18 other liquor store burglaries in other jurisdictions (noted on page 3 of this bulletin). Martin Co. Sheriff's Office made arrests on 3 suspects on 6/11/10.

Any agency with information pertaining to these incidents, please contact Detective [redacted] or Detective [redacted] of the Criminal Investigations Division.
