

WEEK 1 • PROFESSIONAL DEVELOPMENT

List five people with whom you have personal relationships* and who are tech mentors you can call on when you need help, mentoring, guidance, or support:

1.

2.

3.

4.

5.

*Good people to start with might be colleagues who teach the same content as you, a tech administrator in your school, a particular parent who is tech savvy, or, best of all, a few students who seem to be fluent with technology. Use everyone as a coteacher!
