

# Activity . . . . . ➔ 15

## Becoming an independent learner

### STUDENT HANDOUT

Discuss the following questions with your group members:

1. What does an independent learner do?
2. What skills, attributes and characteristics do you think are required to be an independent learner?
3. Do you have any concerns or worries about becoming an independent learner? If so, what are they and how can you overcome them?
4. What action do you need to take to become an efficient and effective independent learner?

**Learning outcome:** By the end of this activity you will feel more confident in your ability to study independently and will have developed an action plan that will help you to become an efficient and effective independent learner.
