

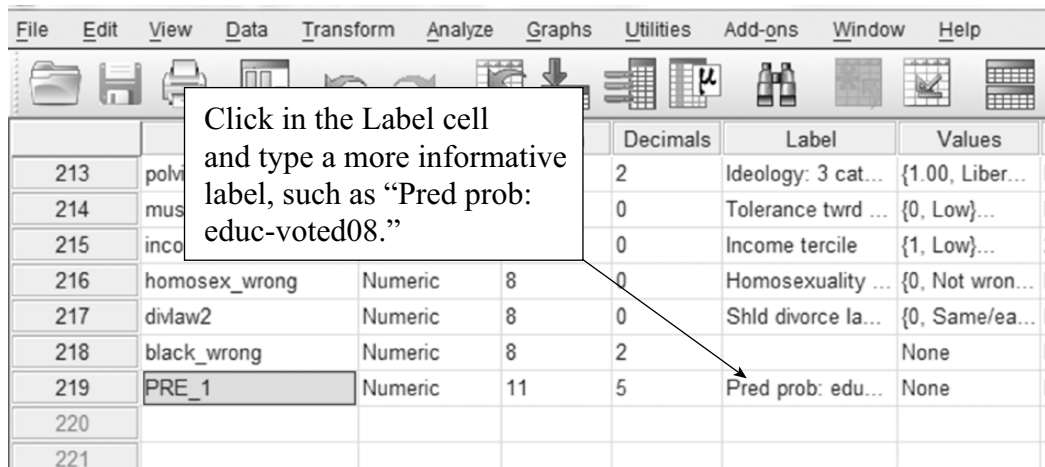

Figure 10-6 Predicted Probability Saved as a New Variable in the Data Editor

The screenshot shows the SPSS Data Editor window. The menu bar includes File, Edit, View, Data, Transform, Analyze, Graphs, Utilities, Add-ons, Window, and Help. The toolbar contains icons for file operations, data manipulation, and analysis. The variable list table is visible, with the variable 'PRE_1' highlighted. A callout box with an arrow points to the 'Label' cell for 'PRE_1'.

Click in the Label cell and type a more informative label, such as “Pred prob: educ-voted08.”
