Western Division – Series– Larceny of Rent Checks

Number of Incidents: 9 + Complexes

Date Range: December 30, 2012-January 2013

Time Range: Witness saw suspect @ 0300 hrs.

Target: Apt Complex Drop Boxes

Property Taken: Rent Checks/Money Orders/Certified Checks

MO: Suspect used Adhesive traps inside of drop box to catch mail

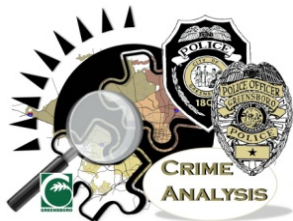

Apartment complexes throughout Western Division have experienced thefts from the payment drop boxes that are located at the office of the complex. The suspect(s) attached adhesive traps (rat traps) inside of the drop boxes to catch envelopes and returned at a later time to get checks.

A b/m with shoulder length dreads was seen by a resident around 0300 hrs on 1/7/2013 crouched down at the office door @ The Hedges Apts. He may have been operating a newer Silver cross over SUV similar to a Honda CRV. The witness did not call the police.

Rent time is just around the corner so please keep a check by Apt. offices in your division as time allows.

Central – Non-Residential Burglary Spree – Tracts 87 & 56

Number of :Incidents: 5
Date Range: February 13-14, 2013
Time Range: Overnight (between 1700 – 0900)
Target: Commercial/Office Type
Property Taken: Laptop, cash, women's clothing, electric guitar.
General Location: Battleground Ave, Banking St, Pembroke Rd
MO: 3 attempts, 2 entry made, pry door/window or break window

Flyers were distributed in the area shortly after the burglaries. Several area business owners expressed concern over a new cleaning crew for the properties. One of the victims observed a gray or white Chevrolet Impala 10-37 in the area (parking lots) prior to their burglary. No description of the driver or information on any occupants.

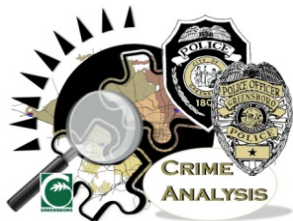

None of the victim's businesses have alarm systems or video surveillance .

Central– Hot Target – Sunglasses/Eyeglass Frames Ophthalmology Offices

Number of Incidents: 3

Date Range: January 11 – February 16, 2013

Time Range: Overnight between 2000 and 0130 hours

Target: Ophthalmologist Offices

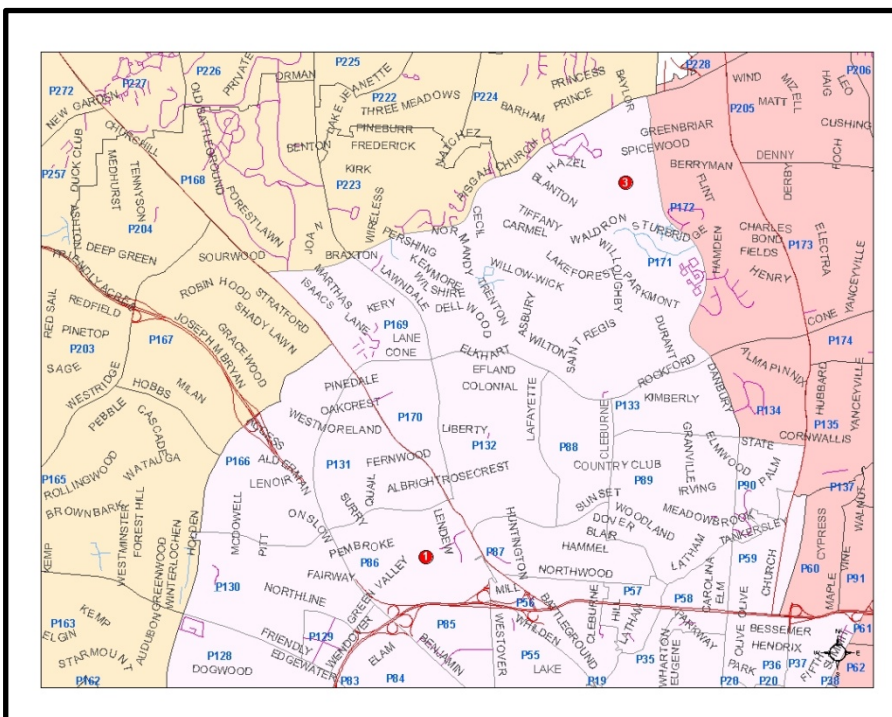

Property Taken: Designer sunglasses and eyeglass frames.

General Location: Central Division – 140 Zone

MO: Breaks front window and removes property – exits the business the same way they enter.

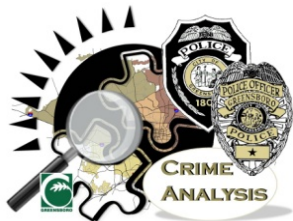

Since January 11, 2013 2 separate Ophthalmologist offices have been the victims of 3 burglaries. In each case, the suspect(s) gain entry into the business by smashing the front glass. Point of exit is also through the window. The target appears to be designer sunglasses and eyeglass frames. Both businesses have alarms. In the incident at 719 Green Valley Rd, the alarm was activated however a representative chose not to have police respond because of prior false alarms. North Pointe Ct, which has been victimized twice is alarmed. The alarm was not activated on the first burglary however it was on the second.

Units keep check by Ophthalmologist offices in your zones.

Finks Jewelry Store Robbery

Number of Incidents: 1

Date: April 13, 2013 Case # 2013-0413-114

Time Range: 10:28 / Saturday

Property Taken: Rolex Watches

General Location: Central Division / 140 Zone

MO: Enter store during business hours, mace employees and entered jewelry case

On Saturday April 13, 2013 two suspects entered through the front door of Finks Jewelers located at 1951 Battleground Ave. and ordered employees to the ground and pepper sprayed the employees while making their way to the display containing high end watches. The suspects were wearing sweatshirts with the hoodies drawn and masks. Both suspects were wearing gloves. One suspect was armed with what was described as a black firearm and the other pepper spray. Suspects were in and out of the business in 2-3 minutes. There is no suspect vehicle description available.

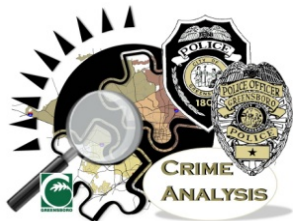

High Point and Cary NC had similar robberies prior to ours, but it is unknown if any are related at this time. High Points robbery occurred on March 27th, 2013 @ 1029 hrs.

This is for informational purposes and to make sure that all patrol divisions keep a check by jewelry stores in their respective divisions.
