CRIME ALERT

SUBJECT MASTURBATING NEAR GHS – MULTIPLE SIMILAR INCIDENTS

NOTHING IN THIS NOTICE CONSTITUTES PROBABLE CAUSE TO ARREST!

Incident Date: 3/13/2015 **Time:** 0827hrs **DOW:** FRI **Location:** 1606 NW 13th Street – Citgo Station

Case Details: VICTIMS (VICs) are GHS Students (W/F's ages 16 and 17). VICs stated that a couple of weeks ago they saw a male driving a **silver vehicle near the above location that appeared to be masturbating** inside of his vehicle. (incident was not previously reported). This morning, on Friday, March 13th, 2015 at approximately 0827hrs, as students were exiting the business, they observed a vehicle matching the exact description parked at the gas pumps. The male subject was masturbating while he was pumping gas. The male looked at them and continued pumping gas. VIC attempted to take a picture of the subject with her cell phone however he got inside his vehicle and began to back out. VICs stated it was obvious he was backing hastily trying to conceal his tag number.

Vehicle Description: **Compact Sized Silver Possible Nissan (unknown model)...** See Image Below of actual vehicle.

Suspect Description: Hispanic Male; Mid to late 40's; Full Beard; Dark Shaggy Hair; Medium height and build; Was wearing long dark shorts.

On Monday, 3/9/15 at approximately 1630hrs a different GHS Student (W/F 17) reported that a suspect was in the parking lot across from GHS and it appeared he was masturbating. VIC kept walking Southbound and crossed over to the west side of 13th Street. When she arrived to Starbucks (which is across from above location), she noticed the same car and male driver and as she walked by his vehicle the subject was not wearing pants and was masturbating. The subject and vehicle was similarly described. See CR# 02-15-004919
