Auto Burglary & Auto Theft

Sector F 4/24/15-5/5/15

Forecast for May

Burglary-Residential

2006	2007	2008	2009	2010	2011	2012	2013	2014	2015
34	40	38	44	47	32	38	44	24	35

Auto Theft

2006	2007	2008	2009	2010	2011	2012	2013	2014	2015
55	33	41	26	20	33	37	38	30	28

Forecasting future crime based on historic data is the cornerstone of Predictive Policing; a model which works to improve situational awareness, identify strategies, and develop solutions to *prevent* criminal activity.

Forecast for May

Burglary-Vehicle

2006	2007	2008	2009	2010	2011	2012	2013	2014	2015
106	98	60	84	81	62	56	53	24	28

Theft From Vehicle

2006	2007	2008	2009	2010	2011	2012	2013	2014	2015
24	33	26	33	28	33	34	75	34	51

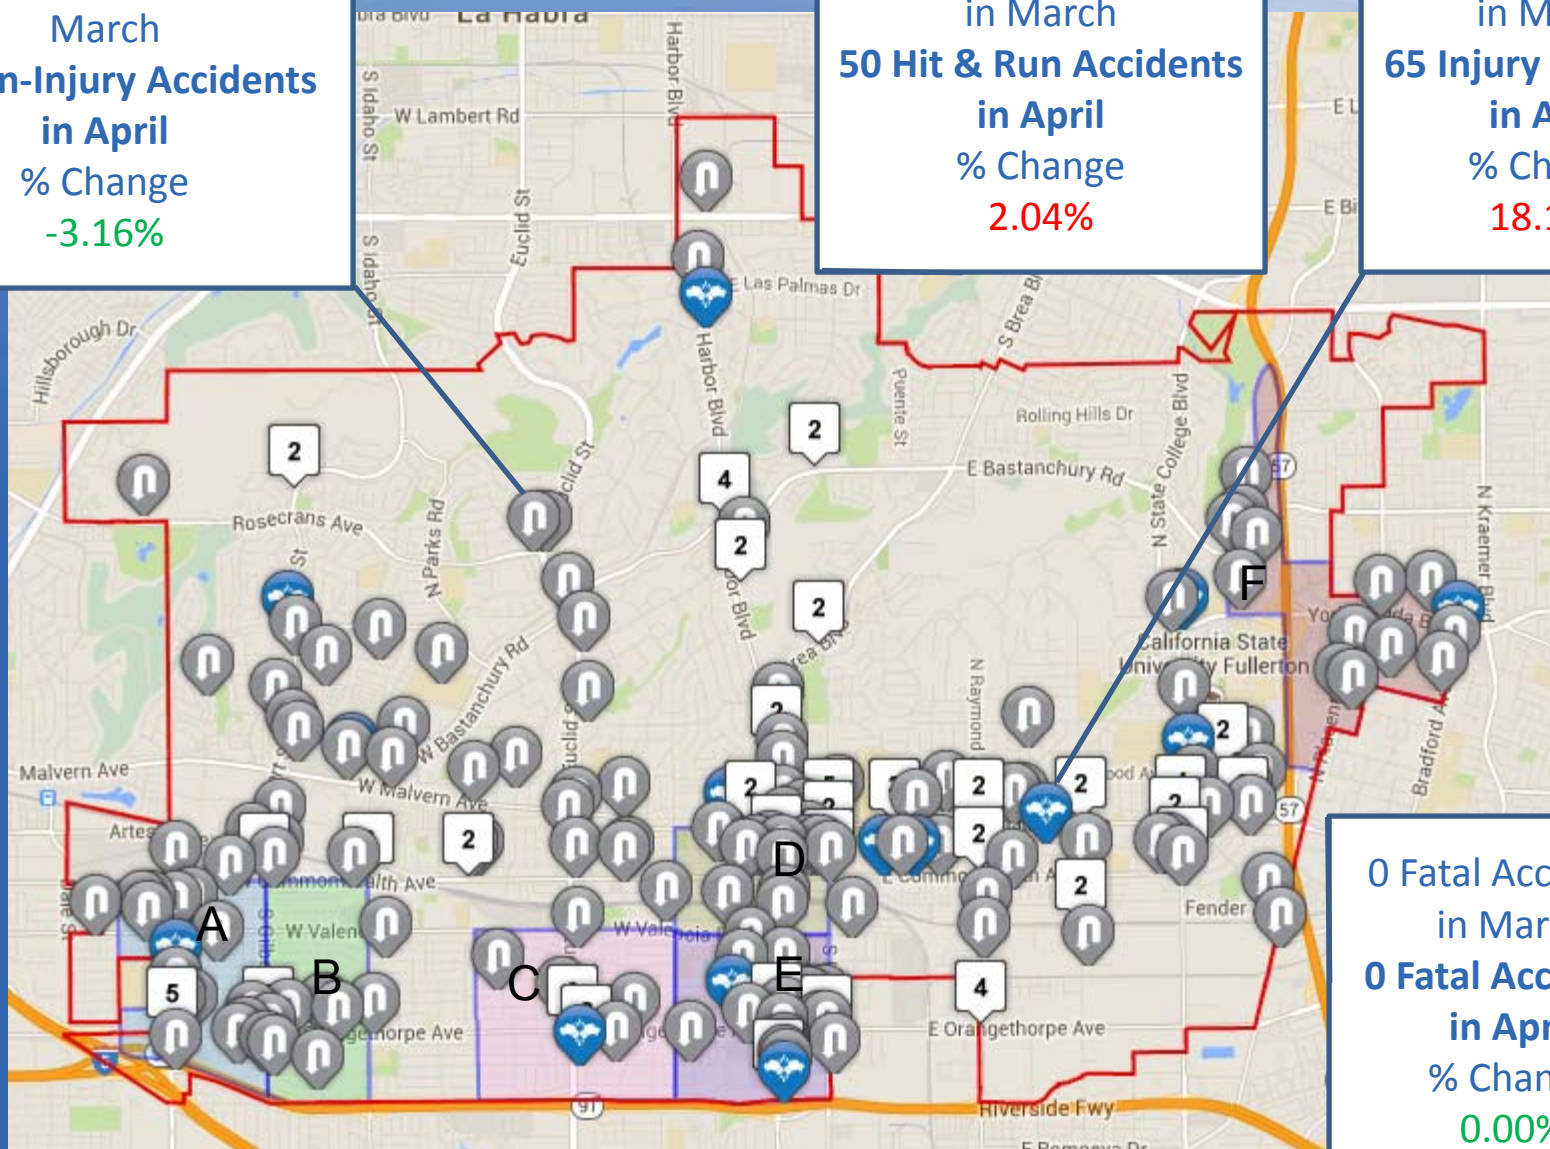

Forecasting future crime based on historic data is the cornerstone of Predictive Policing; a model which works to improve situational awareness, identify strategies, and develop solutions to *prevent* criminal activity.
