ATTEMPT TO IDENTIFY

Grand Retail Theft from Super Walmart

Details: On 05/06/15 0500 WED, the subjects shown below were involved in grand theft retail from Super Walmart at 5700 NW 23rd Street. Loss prevention contacted GPD after reviewing the security footage. Two B/M male subjects entered the Walmart, proceeded to open an infant car seat box, emptied the contents of the box then filled it with several items of electronics to include: computer hard drives, Go-Pro cameras, GPS, security camera equipment, etc. The subjects then returned the box to the store shelf and left the store. Shortly thereafter two females entered the store, chose the box and proceeded to the checkout counter. The females only paid for the price of the car seat and not the contents (numerous electronics).

Vehicles: 4 door sedan (white) and a 2 door sedan (silver), possible Ford Probe

Law Enforcement should be aware of this M.O and its repeated use by the subjects shown and other criminals. If you can identify the persons listed in this notice, please provide details to the GPD Crime Analysis Unit.

Patrol Operations
