

ALCOHOL RELATED ARRESTS IN DOWNTOWN / MIDTOWN AREA

January 1, 2014 – March 24, 2015

Preface: This analysis was prepared pursuant to a public records request submitted by former City Commissioner Jeanna Mastrodica on March 23, 2015. The request is specific to alcohol related arrests (occurring between 1/1/14 and 3/24/15) in areas commonly referred to as Downtown and Midtown. Her effort is to identify establishments that may be having difficulty managing their patrons. In addition to alcohol related arrests, as requested we are providing statistics on fights (affrays) in bars. This report is specific to arrests or incidents handled by the Gainesville Police Department only. This information will be reviewed and discussed among concerned citizens, police officials and bar owners at an upcoming GPD Police Advisory Council Meeting to be held on March 31, 2015.

Important to note when reviewing arrest data: Arrests often have one to many relationships. There could be one incident with multiple arrests depicted. If you see a duplicate case/incident number, this is not in error but due to more than one arrest taking place during the same incident.
