Other Software Needs

An instructor must install Diploma. Diploma will download and install from the SAGE Instructor website.

1. How do I access Diploma?

You can access Diploma by visiting the Instructor Teaching Site for your title that features Diploma. You'll need to login with your user name and password. If you do not have a user name and password, follow the instructions on that web page to obtain one.

Once you've logged into the site, go to the Electronic Test Bank page by using the menu on the left hand side of the page.

The following materials are available on this site:

» Teaching Materials

Test Bank (Word®)
This Word test bank offers a diverse set of test questions and answers for each chapter of the book. Multiple-choice, true/false, short-answer, and essay questions for every chapter help instructors assess students' progress and understanding.

› [Sample](#) › [Test Bank](#)

PowerPoint® Slides
Chapter-specific slide presentations offer assistance with lecture and review preparation by highlighting essential content, features, and artwork from the book.

Author: Chad Edwards, Autumn Edwards, Shawn T. Wahl and Scott A. Myers

Pub Date: August 2012

Pages: 528

Save the file to your desktop and run the program inside it.

2. Is this compatible with my LMS?

The Diploma test bank will work with many learning management systems including Blackboard, Angel, Moodle, and Desire2Learn.

FAQ

3. Who do I contact for tech support?

Often your instructional technologist on campus can assist if you are having complications with your learning management system.

4. How long do I have access?

Once you download Diploma, you'll have indefinite access to the software and test bank.

5. Does this feed my gradebook?

Diploma does not directly feed your gradebook. You are able to set up tests in your LMS that you can choose to feed to the gradebook.

6. What are the main features of the product?

Diploma allows you to edit, delete, and add questions. You can also use it to create brand new test banks. For a complete Diploma user guide, [click here](#).

7. Is there anything else I should know about the product?

Yes, you are welcome to edit test bank questions as you see fit.
