1. How do I access IntroStats Online?

IntroStats Online can be accessed at www.introstatsonline.com. Contact your SAGE rep via www.sagepub.com/findmyrep. We will send you Instructor Demo & Course Setup information so you can set up your IntroStats Online class.

2. How do I set up my account?

Go to www.introstatsonline.com and click on “Need to set up a group?” next to the instructor login.

The screenshot shows the IntroStats Online website interface. At the top, there is a navigation bar with links for Home, Help, Student Accounts, and Instructor Accounts. Below this is the IntroStats Online logo and the SAGE logo. The main content area is divided into two sections: STUDENTS and INSTRUCTORS. The STUDENTS section has a form with fields for User ID and Password, and a Log In button. The INSTRUCTORS section has a form with fields for Group ID and Password, and a Log In button. To the right of each login form are links for 'Forgot your password?', 'Need to set up an account?', 'Need to purchase access?', and 'Have a question or having problems?'. The 'Need to set up a group?' link in the INSTRUCTORS section is circled in red. On the left side, there is a 'CHAPTERS' menu with a list of 15 chapters and other resources like Calculators, Glossary, and Site Search.

A screen will appear where you can enter your information. Please note the access code is in your slimpack.

3. How do my students access STATLab?

Students access IntroStats Online by purchasing a slimpack with an Individual Registration Code.

4. How do my students set up an account?

To access IntroStats Online for the first time students will need:

- A Group ID provided by their instructor
- A Group Password provided by their instructor
- The registration code found on the purchased slimpack

6. Is this compatible with my LMS?

No. IntroStats Online cannot be used in an LMS.

7. How long do I have access?

Students and Instructors have access for up to 9 months upon activating their account.

8. What are the main features of the product?

IntroStats Online is an introductory level statistics course featuring:

- text,
- practice questions,
- interactive demonstrations,
- simulations
- and calculators.

Purchase of IntroStats Online also includes access to STATLab Online!
