

# MEDIUM-TERM PLAN TEMPLATE

## **Brief description**

To enable you and other teachers to get a general picture of the unit.

## **Where the unit fits in**

What knowledge and skills are the unit building upon (including progression from Key Stage 2) and where will pupils be going next?

## **What are the expectations of pupil outcomes for this unit?**

This is sometimes split into minimum expected requirements, normal range of expectations and expectations of exceptional children.

## **Expected prior learning**

That the teacher expects the pupils to have completed before starting the unit.

## **Key technical vocabulary taught**

List key terms here.

## **Links to literacy and numeracy concepts**

**Resources required, including the IT equipment and software, textbooks and worksheets for the entire unit**

Learning objectives Pupils can:	Possible teaching activities	Learning outcomes Pupils will:
<b>Activity 1 [Average time to complete: hours]</b>		
<i>What will pupils learn?</i> <i>Use Bloom's taxonomy verbs.</i>	<i>What might pupils do?</i>	<i>What will they produce – and how will it be assessed?</i>
