

FOR YOU TO DO

TEMPLATE

Look at the statements given below and, for each one, determine whether you agree or disagree with any of the behaviours given below in terms of your typical behaviour. You can find a template of this task to download and use on the companion website at <https://study.sagepub.com/morgan>.

	Item	Strongly agree (SA)	Agree (A)	Neutral/ not sure (N)	Disagree (D)	Strongly disagree (SD)
1.	I think about whether the lecturer's comments and ideas match my experience					
2.	I consider whether information from others around me is true					
3.	I listen to gossip and generally believe what others tell me					
4.	Whenever I read something I find myself questioning whether it is true					
5.	I find it easy to identify weaknesses in others' arguments					
6.	In discussions with others, I identify issues that no one else has thought about					
7.	When I listen to a lecture, I try to find examples which support or contradict what the lecturer is saying					
8.	If I am reading from a book, I tend to make notes which just summarise what is in the chapter					
9.	I rarely think about 'why' something works as it does
