# 1. How do I access the SAGE edge instructor site?

You can find the link to our student and instructor site by going to the book product page on the SAGE website. Go to [www.sagepub.com](http://www.sagepub.com), search for your book, and click on the "Experience with SAGE edge" tab or the "Companion Website" tab. Find your **SAGE edge** site on the **SAGE edge** page: <https://edge.sagepub.com/>

The screenshot shows the SAGE Publishing website for the book "Leadership: Theory and Practice" by Peter G. Northouse, Seventh Edition. The page layout includes a top navigation bar with "DISCIPLINES", "PRODUCTS", "RESOURCES", and "ABOUT". A search bar is located in the top right. The main content area features the book cover on the left and the title "Leadership: Theory and Practice" on the right. Below the title, it states "SEVENTH EDITION" and "Peter G. Northouse - Western Michigan University". A red box highlights a button that says "Experience with SAGE edge". Below this, there are social media sharing icons and a "Download flyer" link. The right sidebar contains three sections: "FOR INSTRUCTORS" with a "REQUEST REVIEW COPY" button, "PURCHASING OPTIONS" with a "BUY NOW" button, and "BUNDLES" with a "BUY NOW" button. The main content area also includes a table of contents and a description of the book, which mentions it is a "2016 Recipient of the McGuffey Longevity Award from the Text and Academic Authors Association (TAA)".

Click on the **Instructor Resources** link in the horizontal navigation at the upper right.

The screenshot shows the SAGE edge website. At the top right, it says "You are in the Americas | [Change Location](#)". The navigation bar includes "Student Resources", "Instructor Resources" (highlighted with a yellow box), "Contact", and "Help". Below the navigation is a banner for "Welcome to the Discover Sociology Companion Website by William J. Chambliss and Daina S. Eglitis" with a stylized illustration of faces. On the left, there is a "Student Resources by Chapter" list with four items: "1 Discovering Sociology", "2 Discovering Sociological Research", "3 Culture", and "4 Socialization and Social Interaction". In the center, there is a "Welcome to the Student Resources Site" section with a welcome message and social media icons. On the right, there is a book cover for "DISCOVER SOCIOLOGY" by William J. Chambliss and Daina S. Eglitis.

Sign in or create a new account to access instructor resources.

The screenshot shows the "Instructor Access" section for the book "Leadership: Theory and Practice" by Peter G. Northouse. The page header includes the SAGE edge logo and navigation links for "Instructor Resources", "Student Resources", and "Contact". The main content area has a dark background with the book title and author. Below this, the "Instructor Access" section contains the following text: "Please login or create an account below.", "NEW USERS - Account approval can take 48 hours so please allow for this time before attempting to login to this site.", "UPDATE - We've updated our CQ Press website, which may change the way you access the companion website for your text. Please take a few minutes to review our FAQ before logging on.", and "Alternatively, contact us on:". There are two bullet points for contact information: "US (and territories) please call 800-818-7243" and "Europe (and territories) please call +44(0)207 324 8500". Below the contact information are two input fields: "Email address" and a password field with a masked password "\*\*\*\*\*". There are two buttons: "Login" and "New User?". At the bottom, there are links for "Request new password" and "Create a new account".

Navigate to course resources using vertical navigation in the left column.

**Welcome to the Instructor Teaching Site**

This site is intended to enhance your use of Discover Sociology by William J. Chambliss and Daina S. Eglitis. Please note that all the materials on this site are especially geared toward increasing your effectiveness with this material and for maximizing the potential for your students to learn.

**Acknowledgments**

We gratefully acknowledge William J. Chambliss and Daina Stukuls Eglitis for writing an excellent text and for their involvement in creating, reviewing and editing the assets on this site. Special thanks are also due to Claire Cook at George Washington University, Dr. Jason Latouche at Tarleton State University, and Chris Moloney at Colorado State University.

## 2. How do my students access the SAGE edge companion site?

Students can find the link to study sites by going to the book product page on the SAGE website, [www.sagepub.com](http://www.sagepub.com). Search for the book and click on the “Experience with SAGE edge” tab or the “Companion Website” tab. Find the **SAGE edge** site on the **SAGE edge** page: <https://edge.sagepub.com/>

## 3. How do my students set up an account?

Student study materials for **SAGE edge** are free, open-access and do not require an account.

## 4. Is this compatible with my LMS?

Course cartridges are available for **SAGE edge** sites. They provide you with flexible, editable content in formats that import easily into most major learning management systems. This course cartridge includes all the assets found on the Instructor Teaching Site and relevant links from the Student Study Site in an easy to upload package. Course cartridges are compatible with the following LMS’s:

- Angel 7.4
- Blackboard 8 and 9

- Canvas
- Desire2Learn
- Moodle 2.0

### **5. How long do I have access?**

Instructors have access as long as the book is in print. Once a new edition of the book comes out, the site will be updated shortly thereafter.

### **6. What are the main features of the product?**

Features on each companion website vary depending on the title. Many **SAGE edge** instructor sites include:

- test banks,
- sample course syllabi,
- chapter-specific PowerPoint® slides,
- lecture notes,
- multimedia resources
- and course cartridges.

### **7. Is there anything else I should know about this product?**

From the **SAGE edge** student study sites, students can email their Action Plans and quiz results to themselves and their instructors. An Action Plan allows students to keep track of their progress through study materials.

## Action Plan

## Chapter 1: Discovering Sociology

**NOTE:** Your Action Plan selections will be lost if you navigate to another page. In the near future this will not be the case, but for now, please complete your action plan selections all at one time.

- Read Chapter 1: Discovering Sociology in your textbook.
- Review the **learning objectives** and reinforce the most important material.
- Watch the **SOCView Author Videos** that feature the authors and create an engaging introduction to chapter content as well as relevant and current examples. Utilize these videos to explore each topic further.
- Review the **eFlashcards** and strengthen your understanding of key terms and concepts.
- Complete the **internet activities** comprised of web resources and critical thinking exercises, to apply your knowledge or sociology concepts.

When a student emails an Action Plan, you will receive a progress summary message.
