### 1. How do I access Web Assign?

Web Assign is available upon adoption of selected SAGE titles. To search for a specific text, use the “Textbook Search” on the WebAssign website at [www.webassign.net](http://www.webassign.net).

### 2. How do I set up my account?

WebAssign instructor accounts are available, free of charge, to instructors at recognized educational institutions. Instructors can go to <http://www.webassign.net/signup.html> to set up their account.

### **3. How do my students set up an account?**

Student accounts are created in one of two ways, depending on how instructors handle enrollment.

1) If the instructor has chosen to use Self-Enrollment, he or she will provide the student with a Class Key. Students may then click on "I Have A Class Key" from the webassign.net home page.

2) If the instructor has chosen to upload a roster to WebAssign, they will provide students with a username and password.

Students will need the access code packaged with the book or purchased from WebAssign.

### **4. Is this compatible with my LMS?**

WebAssign is compatible with Blackboard.

### **5. Who do I contact for tech support?**

Web Assign at Toll free: **(800) 955-8275**.

### **6. How long do I have access?**

Most access codes are valid for one semester. If a code is valid for a longer period of time, the duration is stated on the access code card.

### **7. Does WebAssign feed a gradebook?**

Yes. Students enter their answers online, and WebAssign automatically grades the assignment and gives students instant feedback on their performance

### **8. What are the main features of WebAssign?**

WebAssign contains book-specific homework for your students to complete and submit. Homework is automatically graded, saving the instructor time.
