Object: Cover three in a row with your counters.

Materials: game board, two kinds of counters, special number cube or spinner (4-9)

How to play:

1. Player one rolls or spins to determine the amount to add to 8.
2. Player states the addition number sentence and places the counter on the answer.
3. The next player rolls or spins, adds, and places the counter on the answer.
4. Players take turns until one player has 3 counters in a row.
