This Website has information from organisations promoting Emotional Literacy across the united Kingdom. [www.nelig.com](http://www.nelig.com)

### **The Nurture Group Network (NGN)**

The NGN provide details on training courses, a forum for support and information-sharing between new and existing nurture groups. [www.nurturegroups.org](http://www.nurturegroups.org)

### **Osiris Educational**

Osiris offers training courses and consultancy relating to the application of emotional intelligence in schools. [www.osiriseducational.co.uk](http://www.osiriseducational.co.uk)

### **The Place to Be**

The P2B provides emotional and therapeutic support to children within the school environment, and works with the co-operation and involvement of teaching staff and parents or carers. [www.theplace2be.org.uk](http://www.theplace2be.org.uk)

### **School of Emotional Literacy**

The school provides training for a certificate in emotional literacy development that equips professionals to pass on to children and young people the lifeskills, attitudes, habits and values associated with emotional literacy. [www.schoolofemotional-literacy.com](http://www.schoolofemotional-literacy.com)

### **Sowelu Associates**

Integrate brain research, child development, psychology, learning theory and school effectiveness experience to offer consultancy and training on all aspects of emotional development, emotional resilience and the development of emotionally competent schools. [www.enable-online.com](http://www.enable-online.com)

### **Theatr Fforwm Cymru**

Uses a mixture of forum theatre, circle-time, open-space technology, active listening skills and other related techniques to help school and community groups understand their relationships to themselves, others and the wider world. [www.theatrfforwmcymru.org.uk](http://www.theatrfforwmcymru.org.uk)

### **The Whole School Quality Circle Time Model**

The Whole School Quality Circle Time Model introduces the school community to a range of approaches designed to encourage emotional and physical safety, consistency, motivation, positive relationships and openness. It works through a forum which has, at the heart of it, a commitment to building children's sense of self-worth and helping them to care more about the feelings of those around them. <https://www.circle-time.co.uk>
