

CONQUERING LITERACY ACTIVITY 10: SYLLABLE COUNTING (AP TP8)

Ask the learner to look at each picture, name the object, and then count the number of syllables in each word. Next ask them to write the number below each picture.

 <input type="text"/>	 <input type="text"/>	 <input type="text"/>	 <input type="text"/>
 <input type="text"/>	 <input type="text"/>	 <input type="text"/>	 <input type="text"/>
 <input type="text"/>	 <input type="text"/>	 <input type="text"/>	 <input type="text"/>
 <input type="text"/>	 <input type="text"/>	 <input type="text"/>	 <input type="text"/>
