

## CONQUERING LITERACY ACTIVITY 32: 'FLOSSY RULE' LOTTO (AP TP20)

A game for up to 3 players. Print two copies of the grids below on card. Cut out one set of base boards and give a different one to each player. Cut up the remaining set of base boards to make 30 small cards. Shuffle the cards and place the pack face down on the table.

small	stiff	moss	grass	dress
skill	off	bull	cross	wall

call	press	yelled	scuff	full
glass	cliff	boss	stall	fuss

The 'teacher' turns over a card from the pack and reads it. Players repeat the word and then check to see if it is on their board. The player who has the target word on their board puts a counter on it. The first player to complete their board ( i.e. s/he has ten counters on it) wins the game.
