

### CONQUERING LITERACY ACTIVITY 34: SUFFIX 'S' AND 'ES' (AP TP21)

| Base Word       | Suffix                 | New Word                 |
|-----------------|------------------------|--------------------------|
| (Read the word) | (Highlight the suffix) | (Write the word +suffix) |
| box             | s      es              |                          |
| class           | s      es              |                          |
| nest            | s      es              |                          |
| contract        | s      es              |                          |
| relax           | s      es              |                          |
| impact          | s      es              |                          |
| miss            | s      es              |                          |
| mix             | s      es              |                          |
| sock            | s      es              |                          |
| detest          | s      es              |                          |

N.B. Although prefixes are not introduced until AP TP24 the learner should be able to decode the two syllable words using syllable division.
