

CONQUERING LITERACY ACTIVITY 4: SHARED STORY (AP TP3)

The learner reads the large print. The teacher reads the small print.

Snip is in a pin tin. It is snug in the tin.

Who is Snip? He is a big black spider and he is Pip's pet.

Pip put the tin on a step.

Pip's foot catches the tin and it spins round and round. Snip gets quite dizzy but he likes being in the tin which has some soft cotton wool in it.

Is Snip in the pin tin?

Pip can't see him anywhere. Is he hiding?

Pip is sad. The lid is not on.

Pip looks all around but he cannot find his pet spider.

Did the tin tip up? Is Snip lost?

Pip has an idea. He lifts up the cotton wool. Everything is alright.

At last, Pip can spot him. Snip is in the tin!

Pip is glad Snip is safe and he smiles a big smile.
