

CONQUERING LITERACY ACTIVITY 43: 'WH' SNAP (AP TP26)

Print and cut up the cards below (x3). Deal them equally to each player. Each player places their cards face down in a pile. In turn, they take the top card from their pile and place it face up in the centre of the table, reading the word aloud. If the word matches the previous one, the first person to shout 'snap' wins the cards. Play continues until one person has won all the cards. The game practices recognition of six common question words beginning with 'wh'.

N.B. 'who', 'which' and 'where' are irregular and will need to be taught as sight vocabulary.
