

First Day of Class Registration for SAGE amp

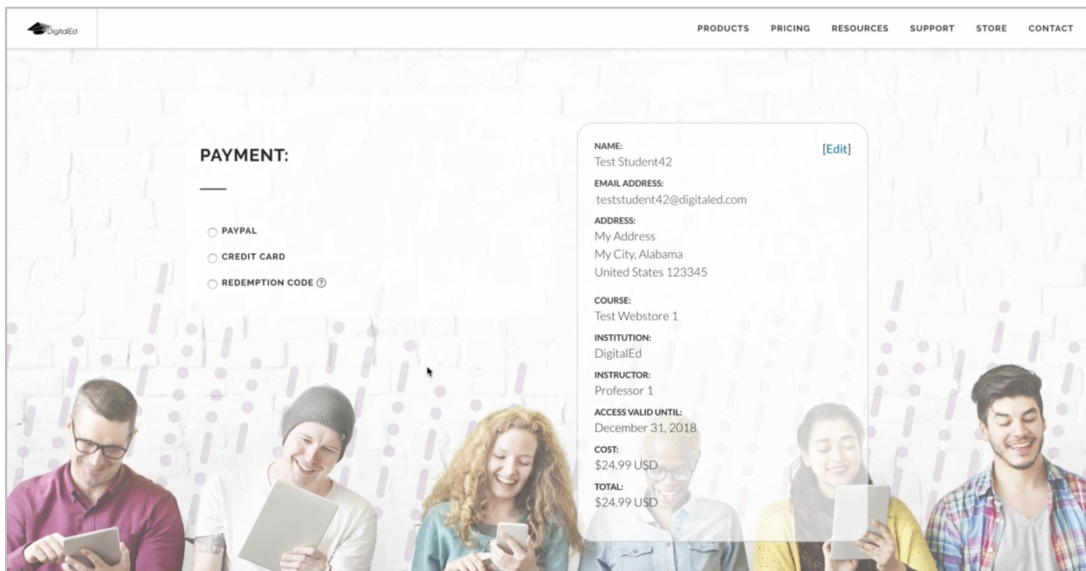

I am accessing my SAGE amp course through
Blackboard, Canvas, Brightspace, or Moodle

GETTING STARTED: To get started in SAGE amp, you will need the following:

- SAGE amp redemption code
 - Or a credit card to buy online
1. Log into your course's Learning Management System (LMS), such as Blackboard, Canvas, Brightspace, Moodle, or Sakai. Note that **SAGE amp, powered by Möbius, is a courseware system built in partnership with DigitalEd.** You will register for your course through DigitalEd's registration in the following steps.
 2. After logging into your LMS, click on your instructor-provided link to open SAGE amp, powered by Möbius, in your browser. The system will automatically detect if you have not yet purchased the required access to your class. Click "Continue".

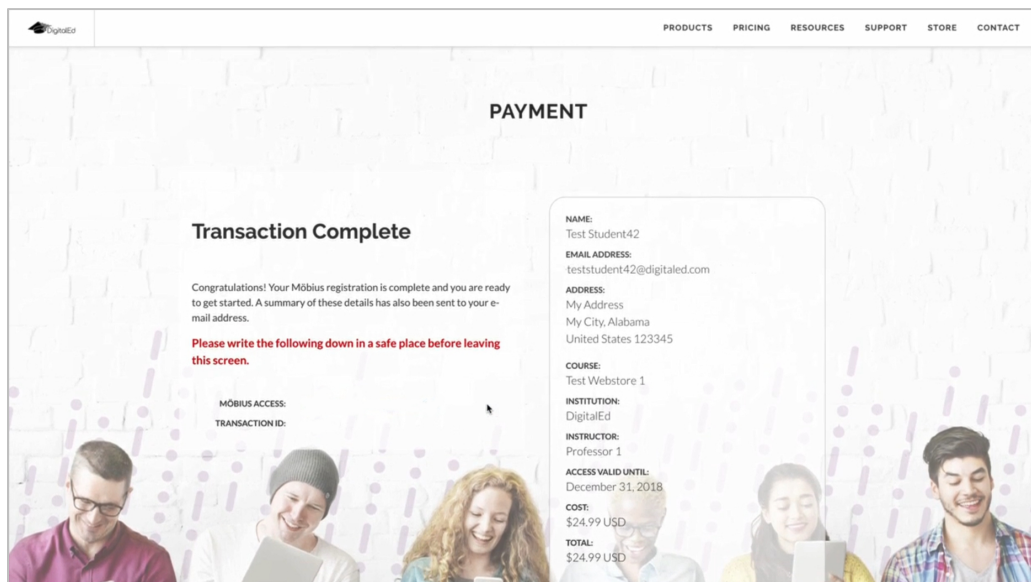

3. Fill in your information. **Please verify that the course details on the right side is correct.** Click "Submit" at the bottom of the form when done.

4. Choose your preferred Payment option and follow the on-screen instructions. If you want to begin a temporary trial access, you will see a third option to do so on this screen. **If you select to start a temporary trial access, should you decide to purchase after the grace period, you can proceed with purchasing through the confirmation email you will receive after registration is complete.**

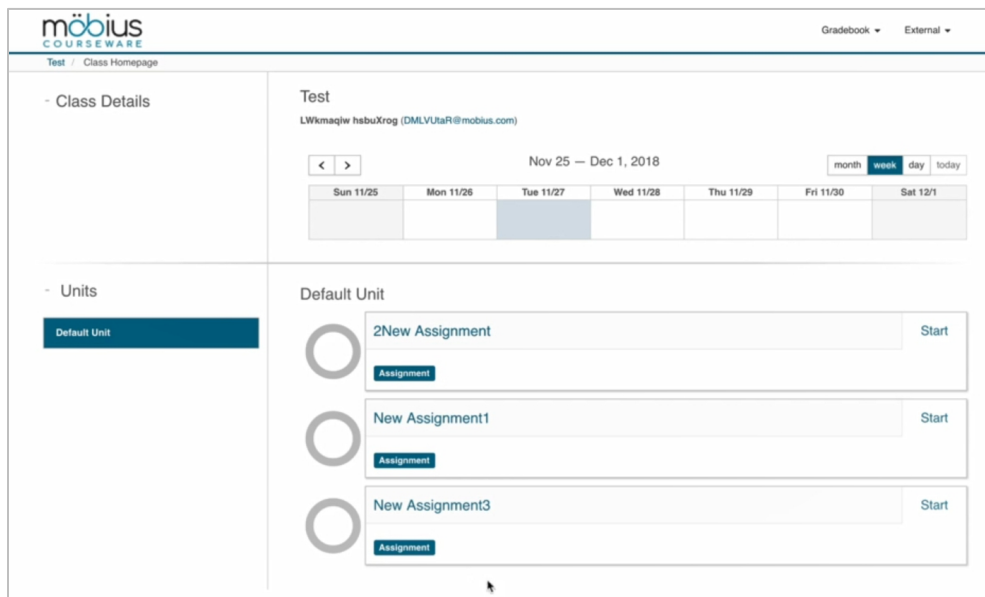

The screenshot shows the SAGE amp payment interface. At the top, there is a navigation bar with links: PRODUCTS, PRICING, RESOURCES, SUPPORT, STORE, and CONTACT. The main content area has a background image of five diverse young adults smiling and using mobile devices. On the left, under the heading "PAYMENT:", there are three radio button options:
☐ PAYPAL
☐ CREDIT CARD
☐ REDEMPTION CODE ⓘ
On the right, there is a summary box with an [Edit] link at the top right. The summary includes:
NAME: Test Student42
EMAIL ADDRESS: teststudent42@digitaled.com
ADDRESS: My Address, My City, Alabama, United States 123345
COURSE: Test Webstore 1
INSTITUTION: DigitalEd
INSTRUCTOR: Professor 1
ACCESS VALID UNTIL: December 31, 2018
COST: \$24.99 USD
TOTAL: \$24.99 USD

5. Once payment or redemption is complete, you will see a “*Transaction Complete*” window that contains your SAGE amp server information and Transaction ID.

The screenshot shows the "Transaction Complete" screen. At the top, there is a navigation bar with links: PRODUCTS, PRICING, RESOURCES, SUPPORT, STORE, and CONTACT. The main content area has a background image of five diverse young adults smiling and using mobile devices. In the center, under the heading "Transaction Complete", there is a message: "Congratulations! Your Möbius registration is complete and you are ready to get started. A summary of these details has also been sent to your e-mail address." Below this, in red text, it says: "Please write the following down in a safe place before leaving this screen." Below the message, there are two fields: "MÖBIUS ACCESS:" and "TRANSACTION ID:". On the right, there is a summary box with an [Edit] link at the top right. The summary includes:
NAME: Test Student42
EMAIL ADDRESS: teststudent42@digitaled.com
ADDRESS: My Address, My City, Alabama, United States 123345
COURSE: Test Webstore 1
INSTITUTION: DigitalEd
INSTRUCTOR: Professor 1
ACCESS VALID UNTIL: December 31, 2018
COST: \$24.99 USD
TOTAL: \$24.99 USD

6. After writing down your transaction information in a safe location, go back to your LMS and click on your instructor-provided class link. You will now have access to your SAGE amp course and assignments.

❖ NEED MORE TIME TO DECIDE?

“Trial Access” allows you to register in SAGE amp without purchasing a redemption code to receive full access typically for two weeks.

To receive Trial Access, select “Trial Access” on the Payment screen. Once your trial access expires, you will be required to make a purchase decision.

❖ PURCHASING AFTER A TRIAL ACCESS?

Students should receive a confirmation email after registration. There is a URL link in this email that will direct them to purchase.

Quick Tips:

- **Going forward:** You will only access SAGE amp from your LMS.
- **Getting started with SAGE amp:** From your class homepage access “Introductory Materials & Getting Started”. This introductory chapter aims to help you get started with your SAGE amp course where you will be taken through the platform’s basic navigation and asked to complete sample assignments that you will encounter in your course.
