

Features of the Question Editor

What is the Question Editor?

The **Question Editor** is a powerful and flexible question container, where you can create multiple question types called **Response Areas**. A variety of grading behaviors can be combined and placed anywhere within the formatted HTML that defines the question. For example, questions can be placed inside tables, formatted text, bulleted lists, and can include embedded images or media objects.

Editing a Question

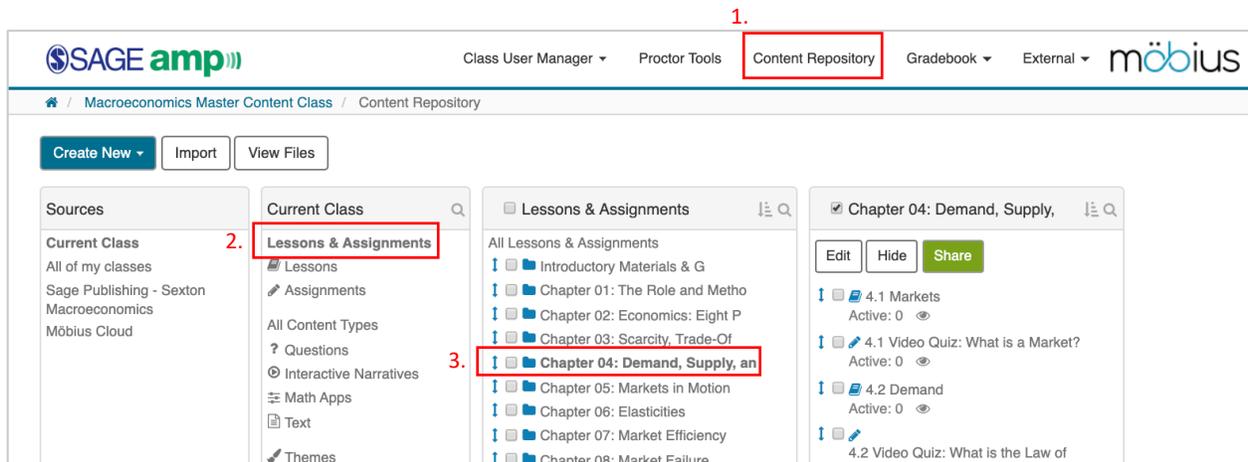

Instructors are able to edit a question, import a question from another chapter, write their own questions, as well as change the point values for questions in their SAGE amp course. For advanced detailed instructions on working with the question editor such as authoring algorithmic questions, adding images to questions, etc., please visit:

<https://www.digitaled.com/support/help/html/MobiusInstructor/ch08.html>

These getting started instructions will walk through the steps on how to make edits to the Chapter 4 Assignment.

To start editing questions in you SAGE amp course,

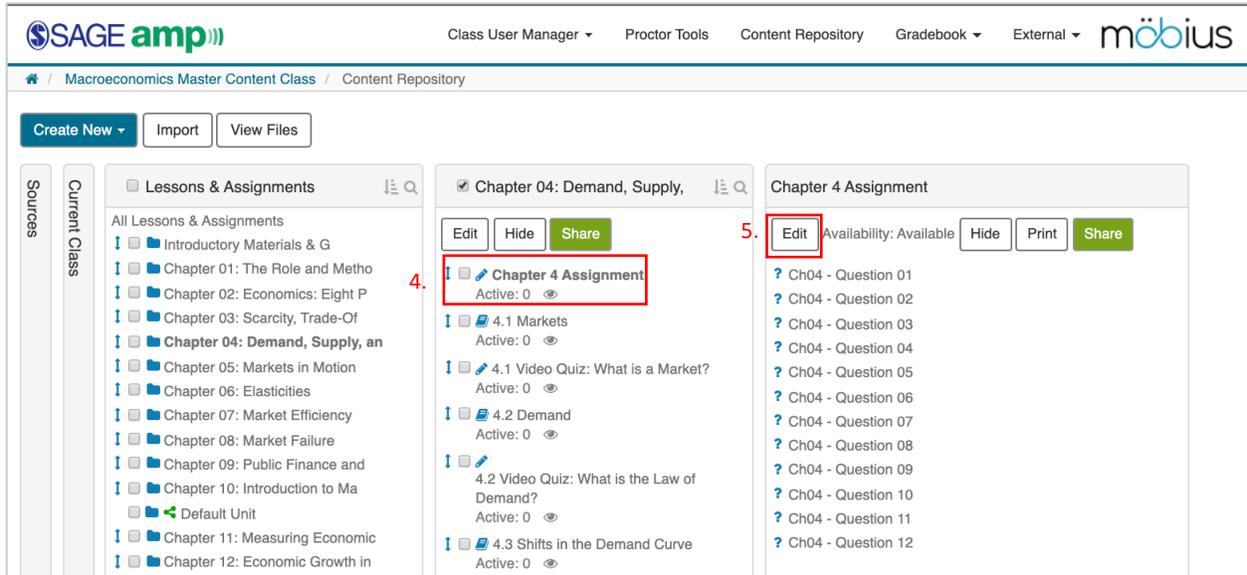

1. Go to the Content Repository.
2. Select **Lessons & Assignments**.
3. Select the chapter that requires editing.

The screenshot shows the SAGE amp interface with the following elements:

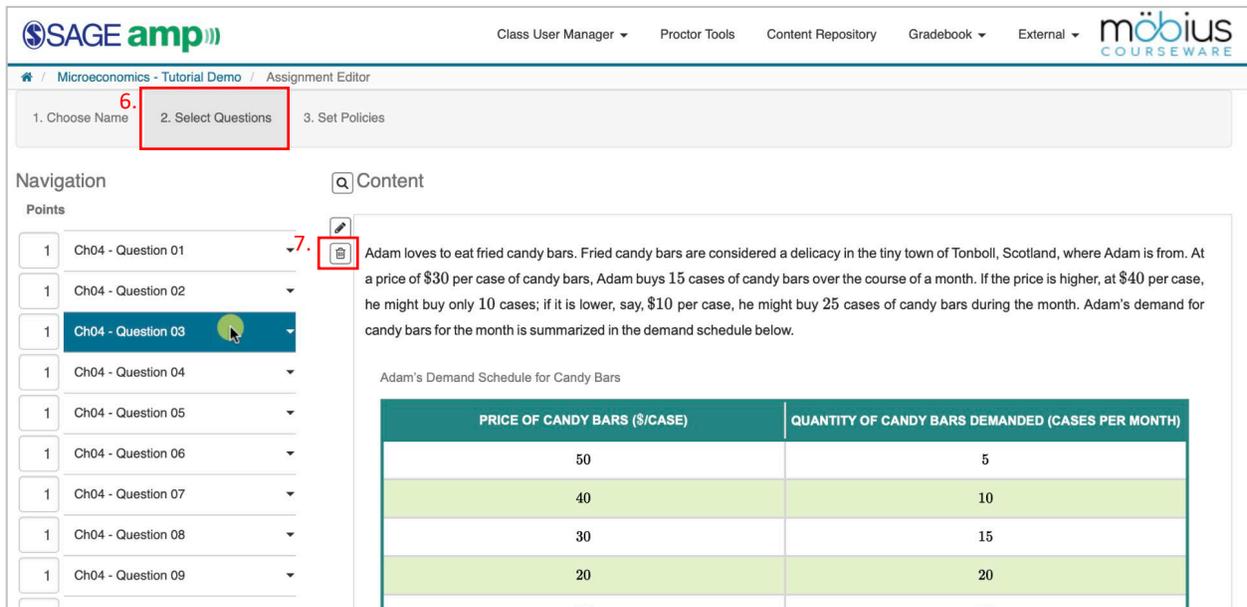

- Top navigation bar: SAGE amp logo, Class User Manager, Proctor Tools, **Content Repository** (highlighted with a red box and labeled '1.'), Gradebook, External, möbius logo.
- Breadcrumb: Home / Macroeconomics Master Content Class / Content Repository
- Buttons: Create New, Import, View Files
- Left sidebar: Sources (Current Class, All of my classes, Sage Publishing - Sexton, Macroeconomics, Möbius Cloud), Current Class (Lessons & Assignments highlighted with a red box and labeled '2.', Lessons, Assignments), All Content Types (Questions, Interactive Narratives, Math Apps, Text, Themes).
- Center pane: Lessons & Assignments (Chapter 04: Demand, Supply, and... highlighted with a red box and labeled '3.', Chapter 01: The Role and Metho, Chapter 02: Economics: Eight P, Chapter 03: Scarcity, Trade-Of, Chapter 05: Markets in Motion, Chapter 06: Elasticities, Chapter 07: Market Efficiency, Chapter 08: Market Failure).
- Right pane: Chapter 04: Demand, Supply, and... (Edit, Hide, Share buttons, 4.1 Markets, 4.1 Video Quiz: What is a Market?, 4.2 Demand, 4.2 Video Quiz: What is the Law of...).

4. Select the proper assignment that you wish to modify.
5. Click **Edit**.

The screenshot shows the SAGE amp interface for a 'Macroeconomics Master Content Class'. The 'Content Repository' is open, displaying a list of lessons and assignments under 'Chapter 04: Demand, Supply'. The 'Chapter 4 Assignment' is selected, and the 'Edit' button is highlighted with a red box and labeled '5.'. The 'Chapter 4 Assignment' window shows a list of questions from 'Ch04 - Question 01' to 'Ch04 - Question 12'. The 'Edit' button for the assignment is also highlighted with a red box and labeled '5.'.

6. Select **2. Select Questions**.
7. After navigating to the specific question that you wish to modify, **click on the pencil tool** to the left of the question window to begin the editing process.

The screenshot shows the 'Assignment Editor' for 'Microeconomics - Tutorial Demo'. The '2. Select Questions' step is highlighted with a red box and labeled '6.'. The 'Content' section shows a list of questions from 'Ch04 - Question 01' to 'Ch04 - Question 09'. The 'Ch04 - Question 03' is selected, and the pencil tool icon is highlighted with a red box and labeled '7.'. The question text reads: 'Adam loves to eat fried candy bars. Fried candy bars are considered a delicacy in the tiny town of Tonboll, Scotland, where Adam is from. At a price of \$30 per case of candy bars, Adam buys 15 cases of candy bars over the course of a month. If the price is higher, at \$40 per case, he might buy only 10 cases; if it is lower, say, \$10 per case, he might buy 25 cases of candy bars during the month. Adam's demand for candy bars for the month is summarized in the demand schedule below.'

Adam's Demand Schedule for Candy Bars

PRICE OF CANDY BARS (\$/CASE)	QUANTITY OF CANDY BARS DEMANDED (CASES PER MONTH)
50	5
40	10
30	15
20	20

On this page, any edits to the question can be made. Equations can be modified, the response area can be adjusted, and the type of question can be edited. When you are finished editing your question, **click on the save icon**. If you do not want to save, click the **“X” to exit**.

Adjust the point values for each question using the left column.

Importing a Question

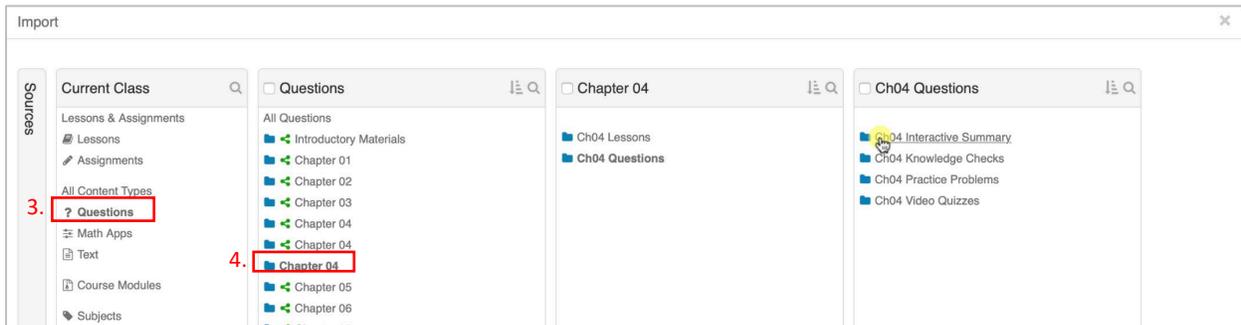

When adding a question, content can be imported from another chapter or questions can be created. Here, the steps will be shown for how to import questions from Knowledge Check 4.1.

To start,

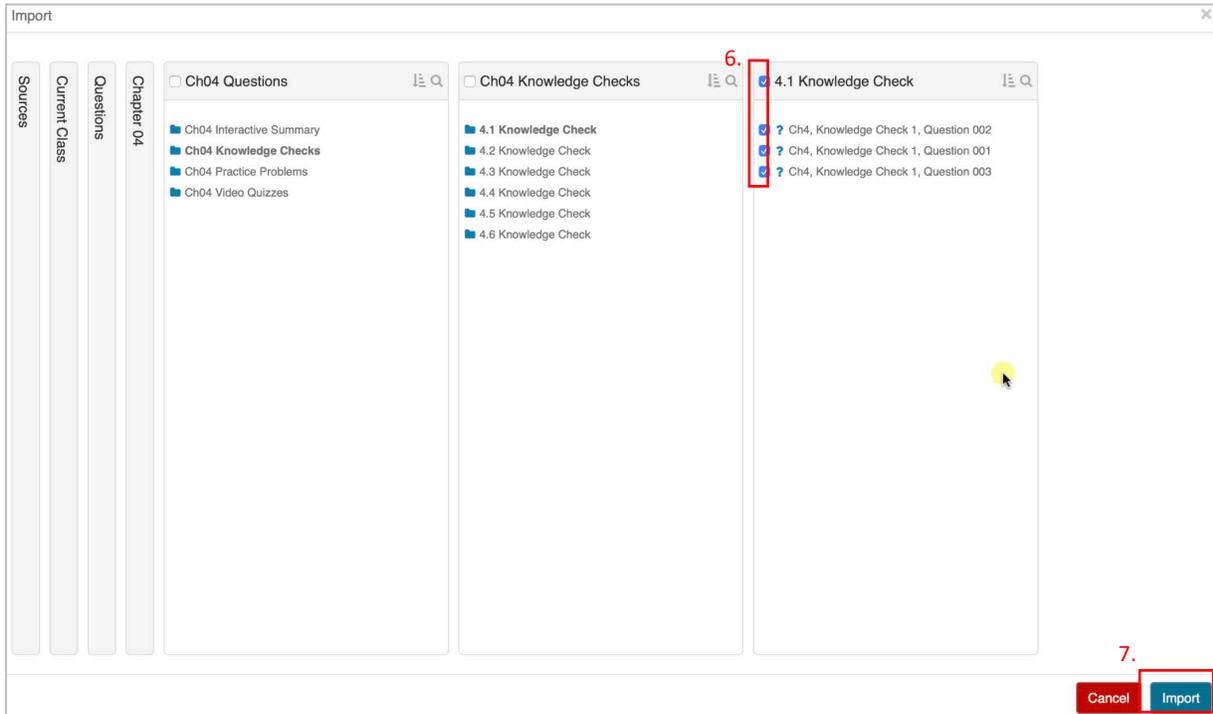

1. Select **Add**, located beneath the “Total Points” for a given assignment in the Content Repository. A drop-down menu should appear.
2. Select **Import Question**. An Import window should appear.

3. Under All Content Types, Select **Questions**.
4. Click on the Chapter you wish to import the question from.

5. Find the corresponding section for the questions you would like to import.
6. Select the question or questions you wish to import.
7. Click **Import** when done. You should see that the imported questions have been added to the overall assignment and the total point value of the assignment has adjusted accordingly.

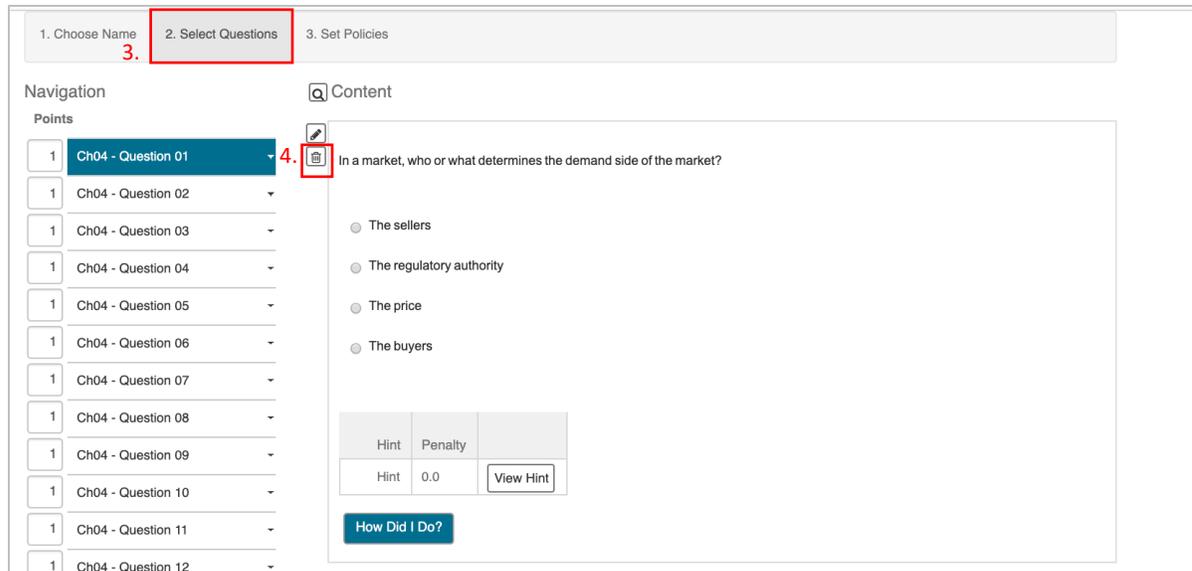

The screenshot shows the 'Import' window in the SAGE amp interface. On the left, there are vertical tabs for 'Sources', 'Current Class', 'Questions', and 'Chapter 04'. The 'Chapter 04' tab is active, showing a tree view of content. The tree view is divided into three panels: 'Ch04 Questions', 'Ch04 Knowledge Checks', and '4.1 Knowledge Check'. The '4.1 Knowledge Check' panel is selected, and its contents are listed in a list view. A red box highlights the '4.1 Knowledge Check' section header and the first three items in the list: '4.1 Knowledge Check', 'Ch4, Knowledge Check 1, Question 002', 'Ch4, Knowledge Check 1, Question 001', and 'Ch4, Knowledge Check 1, Question 003'. A red number '6.' is placed above the first item. At the bottom right of the window, there are two buttons: 'Cancel' and 'Import'. A red number '7.' is placed above the 'Import' button.

Removing a Question from an Assignment

To delete a question from an assignment,

1. Navigate to the assignment in the **Content Repository**.
2. Select **Edit**.
3. Select **2. Select Questions**.
4. Select the delete icon.
5. A pop-up menu should appear prompting you to confirm the deletion of the question of interest. Select **OK**.

1. Choose Name 2. Select Questions 3. Set Policies

3.
