

Figure VI.11 *Alphabet Sequencing Cards*

A B -	B C -	C D -
D E -	E F -	G H -
H I -	I J -	J K -
K L -	L M -	M N -
N O -	O P -	P Q -
Q R -	R S -	S T -
T U -	V W -	X Y -

Print out the grid above on a sheet of card. Cut up the cards and shuffle them. The learner looks at the first sequence (e.g., N O -), names the first two letters, and gives the name of the missing letter. The learner works through all the cards in the pack. The alphabet arc acts as a prop as they can check if unsure. (Note that young children might need the cards enlarging and will perhaps only work on the first half of the alphabet or a short section of it.)
