

## ACTIVITY IA3.4: Choral Chanting

**Intended learning:** To build facility with number word sequences.

**Instructional mode:** Shorter, rehearsal mode for individuals, pairs or whole class

**Materials:** None.

**Description:** The purpose of this activity is to build facility with different number word sequences. Students chant the sequence to a rhythm or cadence.

**Responses, variations and extensions:**

- One variation is to display the sequence as it is chanted.
- A PowerPoint slide show can be used to illustrate the sequence as it is chanted.
- Students may also do a round robin chant in which they take turns saying each number in the sequence.
- Teachers should monitor student participation carefully.
