Getting Started

➤ **Start from your Class Homepage:**

1. Chapters are listed under "Units"

2. All the modules in a chapter are listed sequentially when the chapter is selected.

3. To begin a lesson or an assignment, click the lesson title or "Start". Be sure to review the instructional cue below the module title.

➤ **A couple more notes about your Class Homepage:**

1. **Student login** – make sure that you are logged in as a **(Student)** in the upper right corner

Help | Student Name (Student) | Logout

2. Progress Tracking

-  = A lesson or an assignment has been fully completed.
-  = A lesson or an assignment has been accessed and is in progress.
-  = A lesson or an assignment has *not* been accessed yet.

3. Calendar and Instructor Message

SAGE Demo Chapters - December 2018

Please remember to review assignment due dates in your course syllabus.

Dec 8 — 14, 2019

Sun 12/8	Mon 12/9	Tue 12/10	Wed 12/11	Thu 12/12	Fri 12/13	Sat 12/14
					9:45:00 AM PST Assign	

Instructor Message: Posted messages from the instructor appear at the top of the Class Homepage.

Calendar: Due dates and any instructor-scheduled events (e.g. office hours or study sessions) will appear in the calendar.

- ## 4. Lesson and Assignment Policy Settings
- Lessons and assignments can have a variety of settings including: number of attempts, time limits, and due dates. If a lesson or an assignment has any of these settings enabled, the policies will appear with the module on the Class Homepage:

4.4 Video Quiz: What is the Law of Supply?

Review the video and answer the following quiz questions.

Navigating through a Lesson

When you are in a reading lesson, note the following navigation features:

The screenshot shows the SAGE amp interface for a lesson on '4.1 Markets'. On the left is a navigation menu with a table of contents:

4.1 Markets	
Part 2 Supply and Demand	✓
Demand, Supply, and Market Equilibrium	✓
4.1a Defining a Market	✓
4.1b Buyers and Sellers	✓
4.1 Knowledge Check	

Red boxes highlight the checkmarks in the table of contents and the 'Previous Page' and 'Next Page' buttons at the bottom right. Red arrows point from these elements to numbered annotations.

1. Green check marks indicate user progress.

2. Use these buttons to navigate to the previous or next page in the lesson.

4. At any point in the lesson, use these buttons to save your progress.

3. Use this button to skip the rest of the pages in the lesson and jump to the next module in the chapter.

The eBook reading text has high fidelity to the print book in its design and layout. While there are no page numbers listed in the eBook, each reading lesson matches a learning objective in the chapter. Additionally, the left-hand navigation bar lists headings from the text to enable easy navigation for students to track progress and review the book's content.

Embedded Videos in the Reading

At various points in the reading text, videos are embedded to highlight key concepts from the reading. The following video is embedded in **4.1 Markets** on the page titled, **4.1b Buyers and Sellers**.

power. Because many markets contain a high degree of competitiveness, the lessons of supply and demand can be applied to many different types of problems.

The supply and demand model is particularly useful in markets such as agriculture, finance, labor, construction, services, wholesale, and retail.

In short, a model is only as good as how well it explains and predicts. The model of supply and demand is very good at predicting changes in prices and quantities in many markets, large and small.

eBay is an Internet auction company that brings together millions of buyers and sellers from all over the world. The gains from these mutually beneficial exchanges are large. Craigslist also uses the power of the Internet to connect many buyers and sellers in local markets.

Video: What is a Market?

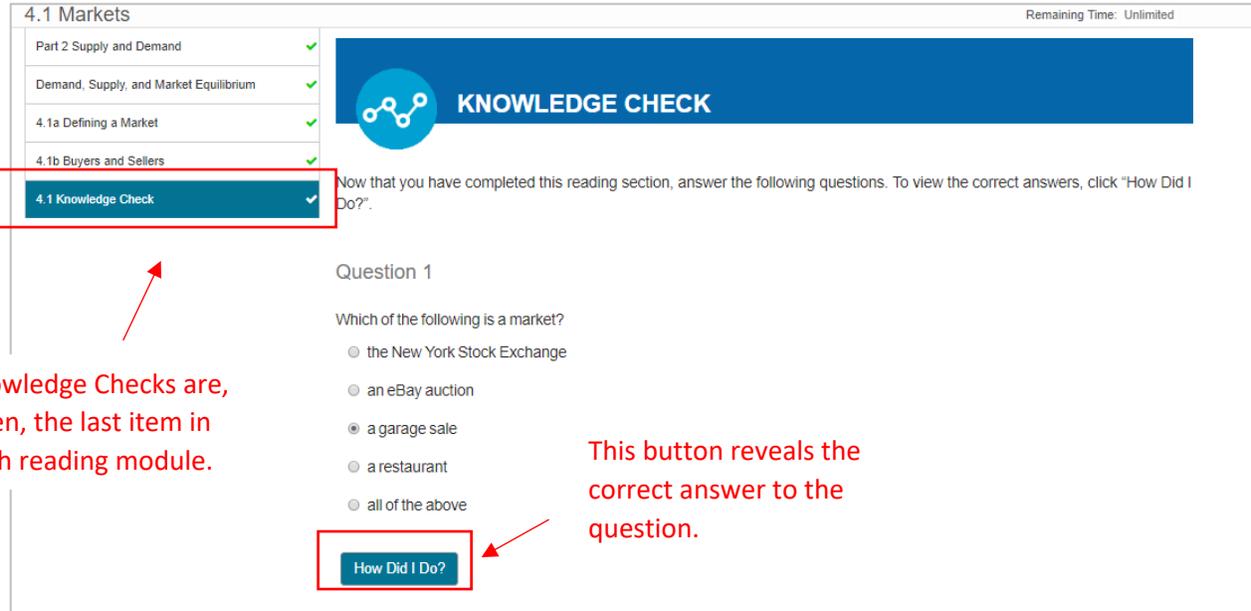

Watch the video below. Video quiz questions are provided following this reading section.

[Back to TOC](#)

Navigating a Knowledge Check

Every reading section is followed by a Knowledge Check. This is intended as a self-assessment for students to gauge their understanding of the reading. Students can view the correct answer by clicking **How Did I Do?** after answering each question.

4.1 Markets Remaining Time: Unlimited

- Part 2 Supply and Demand ✓
- Demand, Supply, and Market Equilibrium ✓
- 4.1a Defining a Market ✓
- 4.1b Buyers and Sellers ✓
- 4.1 Knowledge Check** ✓

KNOWLEDGE CHECK

Now that you have completed this reading section, answer the following questions. To view the correct answers, click "How Did I Do?".

Question 1

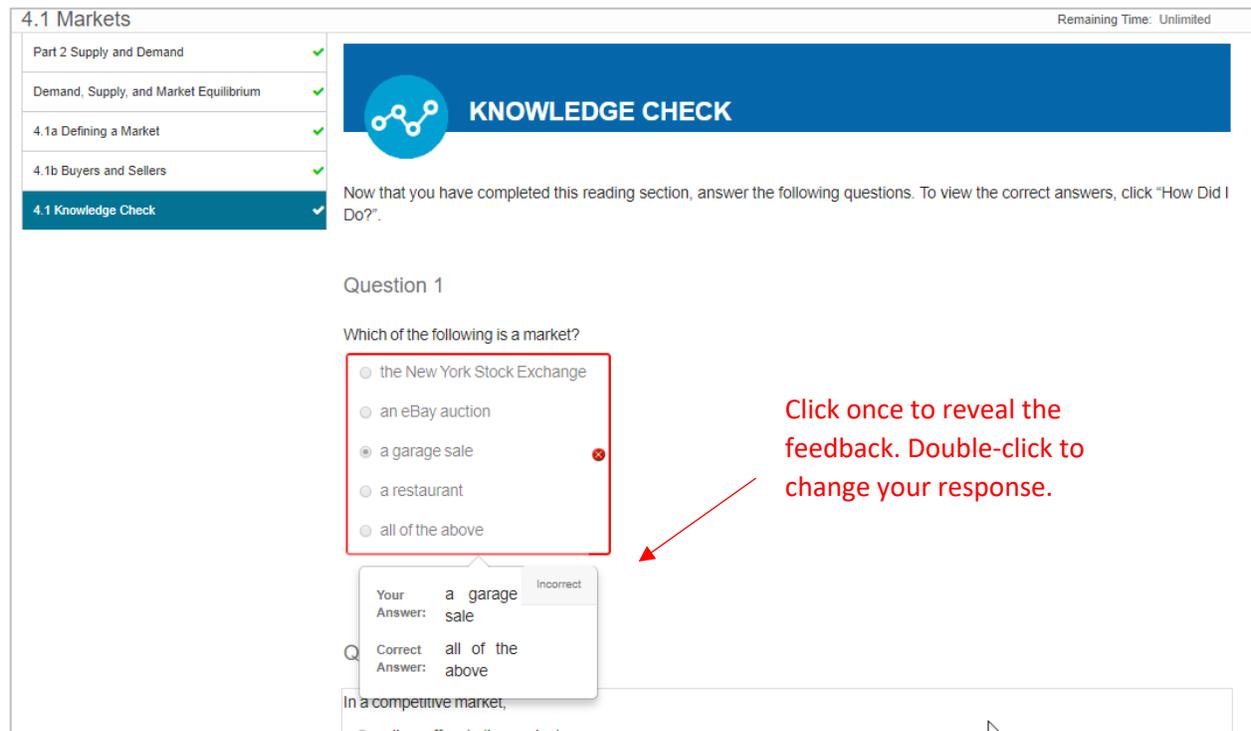

Which of the following is a market?

- the New York Stock Exchange
- an eBay auction
- a garage sale
- a restaurant
- all of the above

How Did I Do?

Knowledge Checks are, often, the last item in each reading module.

This button reveals the correct answer to the question.

4.1 Markets Remaining Time: Unlimited

- Part 2 Supply and Demand ✓
- Demand, Supply, and Market Equilibrium ✓
- 4.1a Defining a Market ✓
- 4.1b Buyers and Sellers ✓
- 4.1 Knowledge Check** ✓

KNOWLEDGE CHECK

Now that you have completed this reading section, answer the following questions. To view the correct answers, click "How Did I Do?".

Question 1

Which of the following is a market?

- the New York Stock Exchange
- an eBay auction
- a garage sale
- a restaurant
- all of the above

Your Answer: a garage sale Incorrect

Correct Answer: all of the above

In a competitive market,

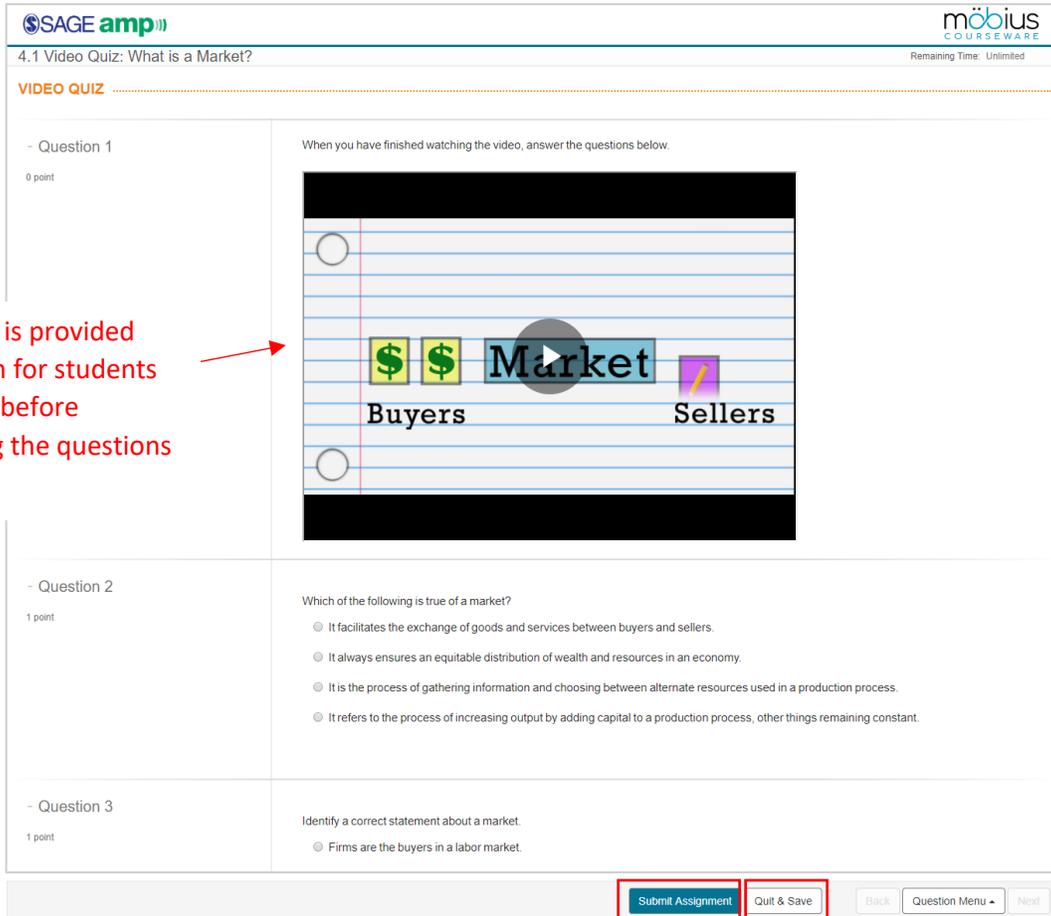

sellers offer similar products

Click once to reveal the feedback. Double-click to change your response.

Navigating a Video Quiz

When there is a video embedded in the reading text, then a video quiz will immediately follow that reading section. Video quizzes can be accessed directly through the Class Homepage. Click **Start** from the Class Homepage to begin a Video Quiz.

4.1 Video Quiz: What is a Market? Remaining Time: Unlimited

VIDEO QUIZ

- Question 1
0 point

When you have finished watching the video, answer the questions below.

- Question 2
1 point

Which of the following is true of a market?

- It facilitates the exchange of goods and services between buyers and sellers.
- It always ensures an equitable distribution of wealth and resources in an economy.
- It is the process of gathering information and choosing between alternate resources used in a production process.
- It refers to the process of increasing output by adding capital to a production process, other things remaining constant.

- Question 3
1 point

Identify a correct statement about a market.

- Firms are the buyers in a labor market.

Submit Assignment Quit & Save Back Question Menu Next

The video is provided here again for students to review before answering the questions below.

When all questions have been answered, click **Submit Assignment**.

Use **Quit & Save** if you are not yet ready to submit the assignment but want to save your work.

After clicking **Submit Assignment**, if you have not answered all of the questions in the assignment, you will receive an error message. Click on one of the questions in the list to go back and correct your work.

When you have inputted all of your answers and submitted a completed assignment, you will receive a **Feedback: Grade Report**.

- Feedback: Grade Report

Thank you

Your assignment is complete. Your score was 0 out of 5 (0 %).

Click **View Details** to review how you scored on each question and the corresponding feedback.

View Grade View Details Quit & Save

An example of a feedback report looks like this:

Question 2: Score 1/1

Which of the following is true of a market?

Your response	Correct response
It facilitates the exchange of goods and services between buyers and sellers.	

✓ Grade: 1/1.0

✓ Total grade: $1.0 \times 1/1 = 100\%$

Feedback:
A market refers to a medium through which buyers and sellers interact with each other to buy and sell goods and services.

Question 3: Score 0/1

Identify a correct statement about a market.

Your response	Correct response
Transactions in a market lead to an unequal distribution of wealth and resources in society.	Firms are the buyers in a labor market.

✗ Grade: 0/1.0

✗ Total grade: $0.0 \times 1/1 = 0\%$

Feedback:
Factors of production such as land, labor, and capital are traded in factor markets.

About Chapter Assignments

At the end of each chapter is the **Chapter Assignment**. This assignment includes a variety of question types (see below), and students are permitted to complete multiple attempts for each assignment. After an assignment is submitted, students can view their results and feedback for that attempt.

With each new attempt, the questions that students have answered correctly will remain. If a question was not answered correctly in the previous attempt, the new attempt will either clear the student's previous response (for static questions) or provide a new version of the question (for algorithmic questions).

Navigating a Chapter Assignment

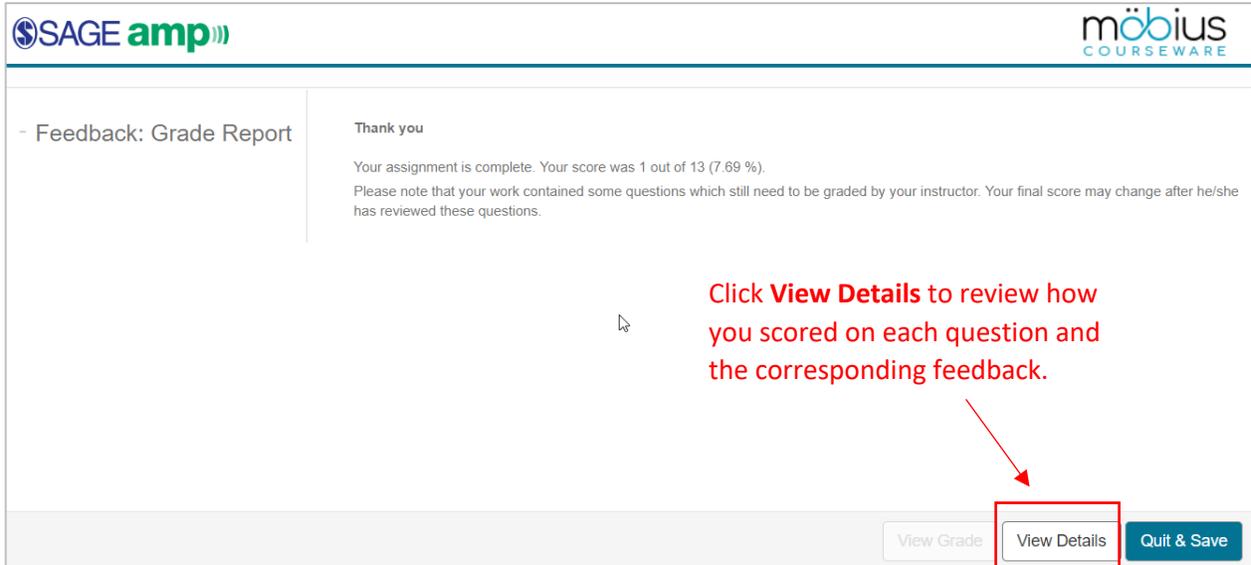

The screenshot shows the SAGE amp interface for a Chapter 4 Assignment. At the top right, it displays 'Current Grade: 1.0 / 13.0' and 'Remaining Time: Unlimited'. The main content area is titled 'PRACTICE PROBLEMS' and contains a question: 'In a market, who or what determines the demand side of the market?'. Below the question are four radio button options: 'The regulatory authority', 'The price', 'The sellers', and 'The buyers'. A table below the options shows 'Hint' and 'Penalty' (0.0) with a 'View Hint' button. At the bottom, there are navigation buttons: 'Submit Assignment', 'Quit & Save', 'Back', 'Question Menu', and 'Next'. Red annotations highlight these features:

- 1. This button reveals a hint for this question. (points to the 'View Hint' button)
- 2. Use the **Question Menu** to navigate to another question in the assignment or click **Next** to go to the next question. (points to the 'Question Menu' and 'Next' buttons)
- 3. Use **Quit & Save** if you are not yet ready to submit the assignment but want to save your work or click **Submit Assignment** when you are ready to submit this attempt. (points to the 'Submit Assignment' and 'Quit & Save' buttons)

After clicking **Submit Assignment**, if you have not answered all of the questions in the assignment, you will receive an error message. Click on one of the questions in the list to go back and correct your work.

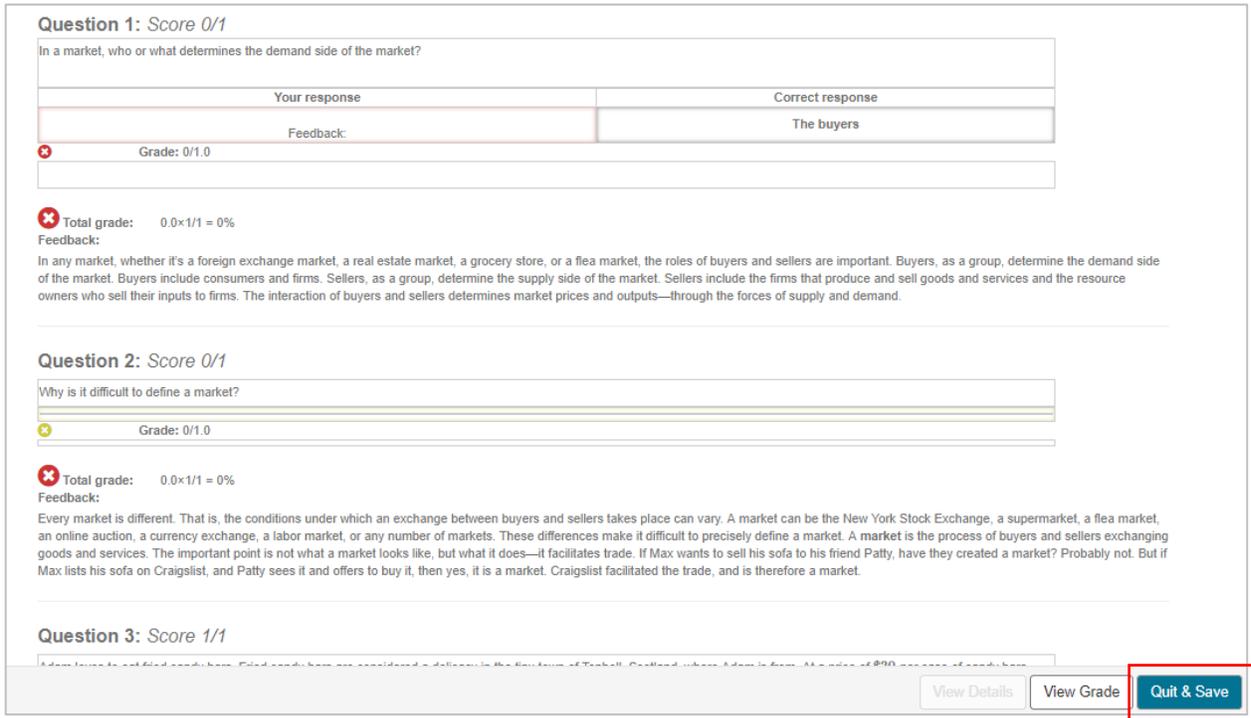

- **Hints** – Every question includes a hint. The default setting provides 0 penalty for students who utilize the **View Hint** feature. Instructors can modify the penalty setting if desired.
- **Time Limit** – If a time limit is set by the instructor, a countdown clock will appear in the upper-right-hand corner indicating **Remaining Time**.

When you have inputted all of your answers and submitted a completed assignment, you will receive a **Feedback: Grade Report**.

The screenshot shows the 'Feedback: Grade Report' page. At the top left is the SAGE amp logo, and at the top right is the möbius COURSEWARE logo. The main content area has a header 'Feedback: Grade Report' on the left and a 'Thank you' message on the right. The message states: 'Your assignment is complete. Your score was 1 out of 13 (7.69 %). Please note that your work contained some questions which still need to be graded by your instructor. Your final score may change after he/she has reviewed these questions.' At the bottom of the page, there are three buttons: 'View Grade', 'View Details', and 'Quit & Save'. A red box highlights the 'View Details' button, and a red arrow points to it from the text: 'Click **View Details** to review how you scored on each question and the corresponding feedback.'

An example of a Chapter Assignment feedback report looks like this:

The screenshot shows a detailed feedback report for three questions. Each question has a title, a score, a question text, a table for 'Your response' and 'Correct response', and a 'Feedback' section. The 'Feedback' section includes a 'Total grade' calculation and a paragraph of feedback text. At the bottom of the page, there are three buttons: 'View Details', 'View Grade', and 'Quit & Save'. A red box highlights the 'Quit & Save' button, and a red arrow points to it from the text: 'Click **Quit & Save** to close the Chapter Assignment and save your work.'

Click **Quit & Save** to close the Chapter Assignment and save your work.

[Back to TOC](#)

Viewing Grades and Past Results

Students can see their grades and records of all of their assignment attempts in the **Gradebook** from their Class Homepage.

The screenshot shows the SAGE amp interface. At the top right, there is a 'Gradebook' dropdown menu. A red box highlights this menu, and a red arrow points to the 'View Past Results' option. Below the menu, the page title is 'SAGE Demo Chapters - December 2018' with the instructor's name 'Isabel Cheng'. A calendar for December 2018 is visible, with the current date 'Dec 23' highlighted. The main content area shows the unit '[Demo Economics] Chapter 04: Demand, Supply, and Market Equilibrium' and a sub-unit '4.1 Markets' with a 'Resume' button.

Navigating the Student Gradebook

1. Select the chapter to view

The screenshot shows the 'Gradebook' view. On the left, a sidebar shows a tree view of units, with '[Demo Economics] Chapter 04: Demand, Supply, and Market Equilibrium' selected. A red box highlights this selection. In the main area, a list of assignments is shown, with 'Chapter 4 Assignment - Homework/Quiz' selected. A red box highlights this list. Below the list, there are filter options: 'Results' set to 'All (Best)', 'Progress' set to 'All', and 'Style' set to 'Numeric'. A red box highlights the 'Results' dropdown. At the bottom, there is a 'Search' button, an 'Export to CSV' button, and a 'Rows' dropdown set to '20'. A red box highlights these bottom controls.

2. Select the assignment to view. To select multiple items, click, hold, and drag the cursor over multiple items.

3. To view all attempts, check that the **Results** setting is set to **All (Best)**.

4. Use **Search** to see the results listed below or **Export to CSV** for a downloaded file.

Students can view **Details** of each attempt, including their responses, correct answers, and corresponding feedback, for each question.

The screenshot shows the SAGE amp Gradebook interface. At the top, there are navigation links for 'Gradebook' and 'External', and the 'möbius' logo. Below the navigation, there are filters for 'Filter Results' (Results: All (Best), Date from: [input], Progress: All, Date to: [input]) and 'View Panel' (Style: Numeric). The main content area displays a table of assignment attempts. The table has columns for Lesson/Assignment Name, Status, Details, Score, Total, Start, End, and Duration. A red box highlights the 'Details' link in the 'Details' column for each row, with a red arrow pointing to it.

Lesson/Assignment Name	Status	Details	Score	Total	Start	End	Duration
Chapter 4 Assignment	🟡	Details	13.0	13.0	12/21/18 11:36:24 AM PST	-	0 min
Chapter 4 Assignment	🟢	Details	1	13.0	12/13/18 1:29:10 PM PST	12/13/18 1:45:05 PM PST	15 min
Chapter 4 Assignment	🟢	Details	1	13.0	12/13/18 1:47:01 PM PST	12/14/18 1:58:19 PM PST	1 days 11 min
Chapter 4 Assignment	🟢	Details	1	13.0	12/17/18 12:37:52 PM PST	12/17/18 12:53:27 PM PST	15 min

Click **Details** to view the details of each attempt of the assignment. The same information is recorded for the Instructor to review.
