

Codebook for 2020 NHS Scotland Health Boards by Datazone Dataset

Brian Fogarty

This is the codebook for the 2020 NHS Scotland Health Boards by Datazone dataset (**scottish health boards by datazone.xlsx**) used in *Quantitative Social Science Data with R: An Introduction* (2nd Edition). Information about the variable values is provided when necessary.¹

- **data_zone**: datazone number.
- **intermediate_zone**: intermediate zone area.
- **council_area**: council area of datazone.
- **health_board**: NHS Scotland health board.
