

➤ **A couple more notes about your Class Homepage:**

1. **Student login** – make sure that you are logged in as a **(Student)** in the upper right corner

Help | Student Name (Student) | Logout

2. **Progress Tracking**

= A lesson or an assignment has been fully completed.

= A lesson or an assignment has been accessed and is in progress.

= A lesson or an assignment has *not* been accessed yet.

3. **Calendar and Instructor Message**

SAGE Demo Chapters - December 2018

Please remember to review assignment due dates in your course syllabus.

Dec 8 — 14, 2019							month	week	day	today
Sun 12/8	Mon 12/9	Tue 12/10	Wed 12/11	Thu 12/12	Fri 12/13	Sat 12/14				
					9:45:00 AM PST Assign					

Instructor Message: Posted messages from the instructor appear at the top of the Class Homepage.

Calendar: Due dates and any instructor-scheduled events (e.g. office hours or study sessions) will appear in the calendar.

4. **Lesson and Assignment Policy Settings** – Lessons and assignments can have a variety of settings including: number of attempts, time limits, and due dates. If a lesson or an assignment has any of these settings enabled, the policies will appear with the module on the Class Homepage:

4.4 Video Quiz: What is the Law of Supply?

Review the video and answer the following quiz questions.
