The screenshot shows the SAGE amp course homepage. On the left is a sidebar with a 'Units' section containing two items: '[Demo Economics] Chapter 04: Demand, Supply, and Market Equilibrium' and '[Demo OM] Chapter 03: Project Management'. The main content area features a calendar for December 2018, currently showing Dec 23-29. Below the calendar is a list of modules for 'Chapter 04: Demand, Supply, and Market Equilibrium':

- 4.1 Markets**: Includes a 'Resume' button and a 'Lesson' button labeled 'Not yet graded'.
- 4.1 Video Quiz: What is a Market?**: Includes a 'Resume' button and an 'Assignment' button showing '4.0 / 5.0 (80.0%)'.
- 4.2 Demand**: Includes a 'Resume' button and a 'Lesson' button labeled 'Not yet graded'.
- 4.2 Video Quiz: What is the Law of Demand?**: Includes a 'Start' button and an 'Assignment' button.

1. Chapters are listed under "Units"

2. All the modules in a chapter are listed sequentially when the chapter is selected.

3. To begin a lesson or an assignment, click the lesson title or "Start". Be sure to review the instructional cue below the module title.
