Add or subtract 12

44	20	14	36	20
40	13	44	20	44
20	36	40	14	13
14	20	36	13	40
40	44	13	36	14

Object: cover three in a row with your counters.

Materials: game board, two kinds of counters, special add or subtract 12 spinner.

How to play:

1 Player one spins to create an addition or subtraction problem.
2 The player states the number sentence and places the counter on the answer. The player may use the empty number line to solve the problem.
3 The next player spins, states the problem, and places the counter on the answer.
4 Players take turns until one player has three counters in a row horizontally, vertically or diagonally.
