

Arrow cards

Directions:

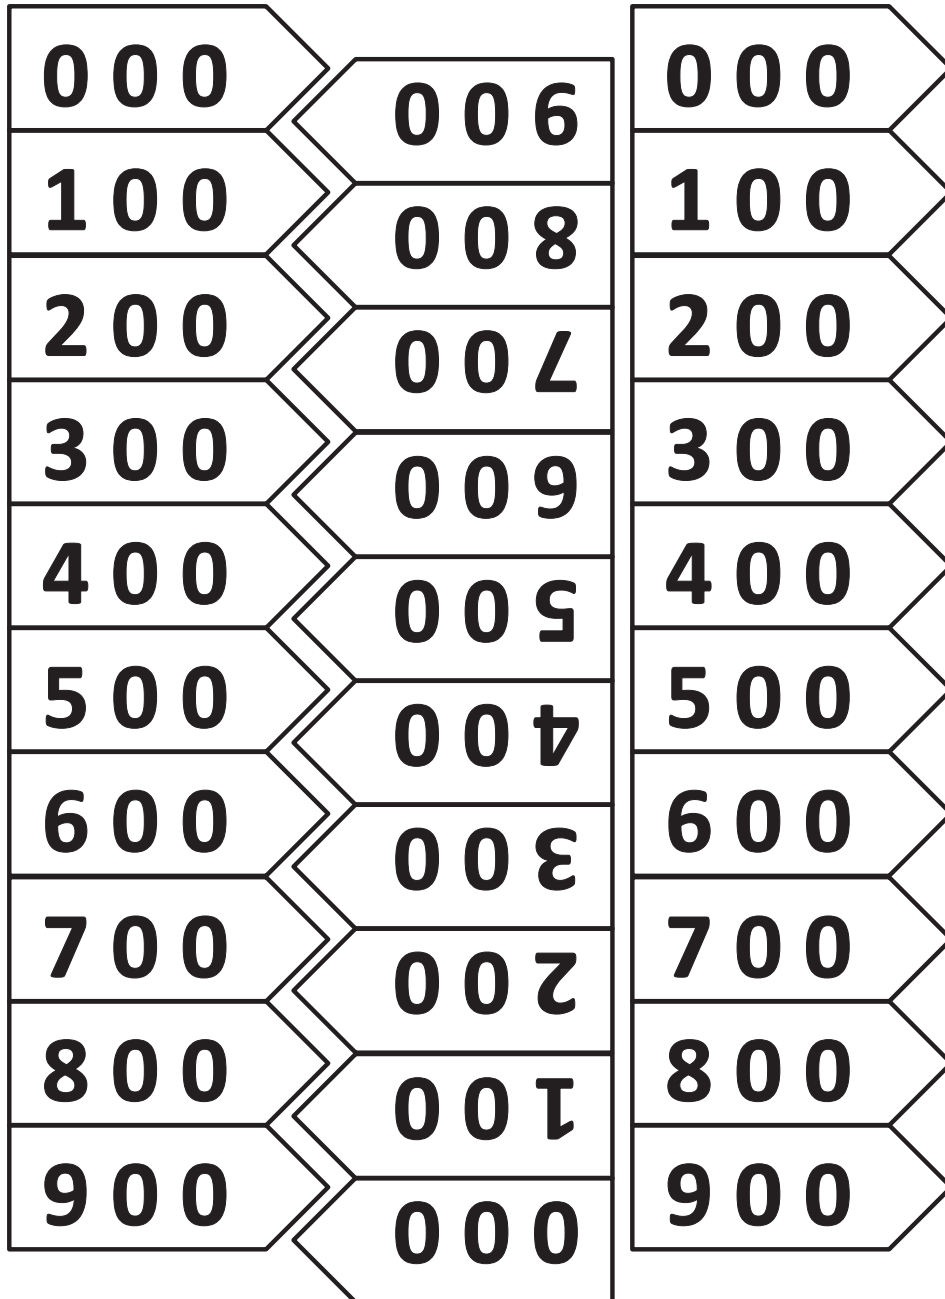

- Duplicate each of the following pages on a different color paper.
- Cut along line to create arrow cards.
- Create multi-digit numerals by combining arrows of different colors.
- Handy rules for students include: 1) You may only use one arrow of each color. 2) The arrows must align when you form your number.

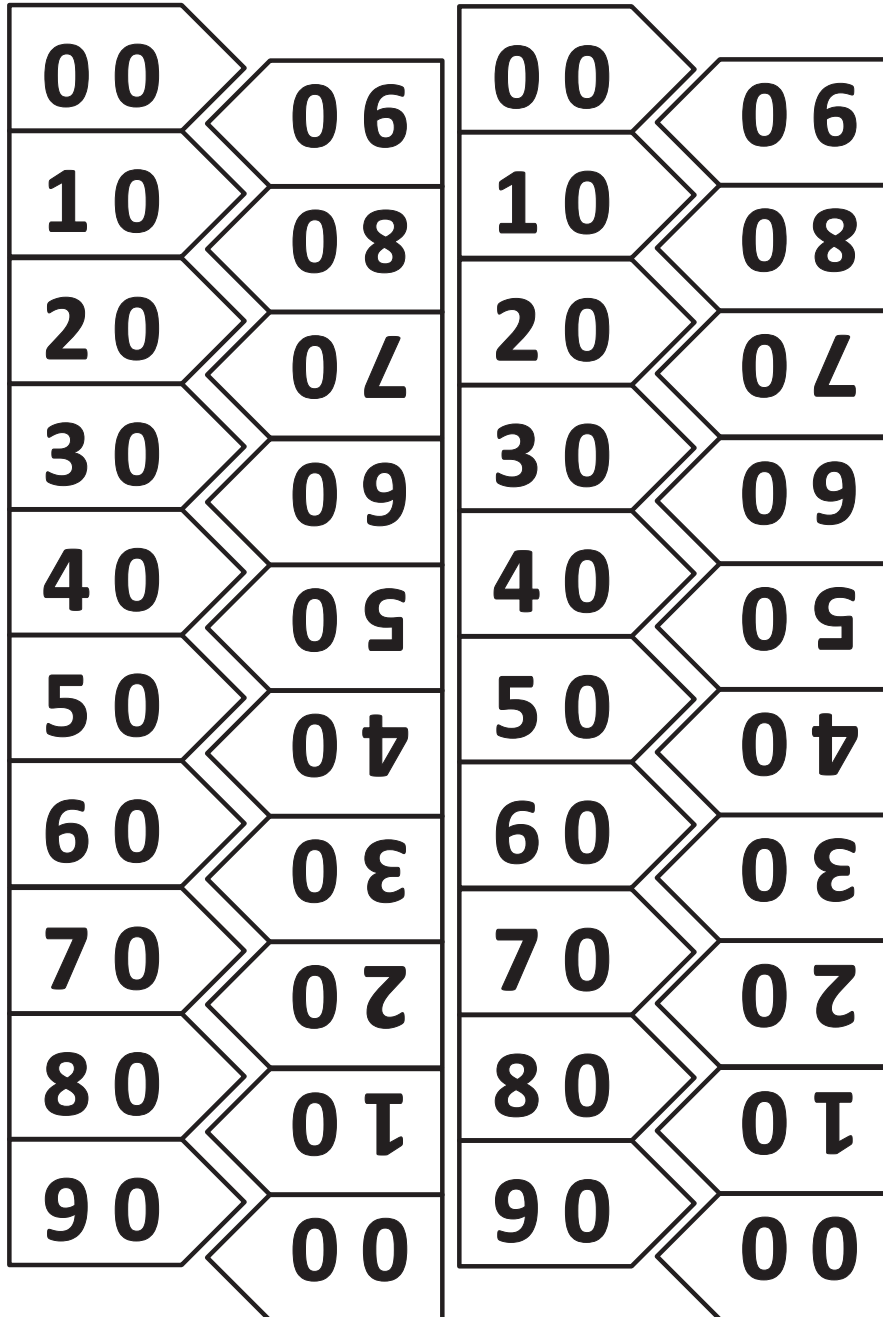

2 sets of thousands arrows

3 sets of hundreds arrows

4 sets of tens arrows

7 sets of ones arrows
