

What Comes Before? worksheet

Name: _____

Fill in the numbers that come before

The worksheet contains five rows of circles, each representing a sequence of numbers. The circles are arranged in a slightly curved line from left to right. The last circle in each row contains a number, and the circles before it are intended for the student to write the numbers that come before it.

- Row 1: 10 circles. The 9th circle contains the number 36. The 10th circle is shaded gray.
- Row 2: 10 circles. The 9th circle contains the number 23. The 10th and 11th circles are shaded gray.
- Row 3: 10 circles. The 9th circle contains the number 30. The 10th and 11th circles are shaded gray.
- Row 4: 10 circles. The 9th circle contains the number 78. The 10th and 11th circles are shaded gray.
- Row 5: 10 circles. The 9th circle contains the number 99. The 10th and 11th circles are shaded gray.
