

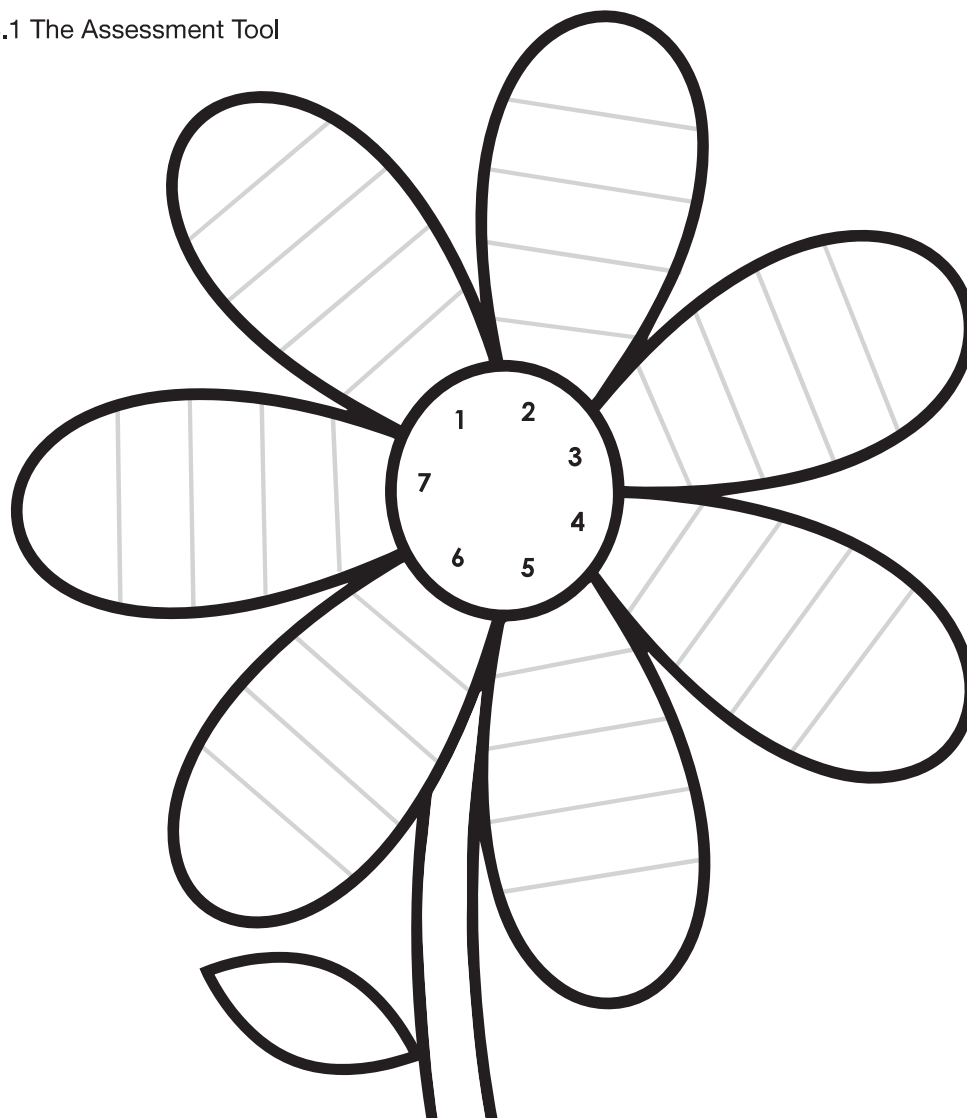

Figure 4.1 The Assessment Tool

The Instructions:

Each statement relates to a stripe in the petal
Each petal relates to one set of statements
All stripes need to be coloured in - starting with statement one nearest to the centre of the flower

Colour the stripe:

Green for 'it describes the child perfectly'
Orange for 'it describes the child to some extent'
Red for 'it does not describe the child at all'

Example statements:

Self esteem

1. uses positive language to describe themselves
2. has positive self-concept as a learner/friend
3. takes constructive criticism positively
4. will 'bounce back' after a negative experience
5. is realistic about what they can and cannot do
