

Eight Simultaneous Budgets

Over the course of a fiscal year (October 1 to September 30), eight concurrent budgets are in some state of being. This shows the situation during fiscal 2012:

Fiscal 2013 and 2014: Past fiscal years; some funds still being spent

Fiscal 2015: Current fiscal year; funds being spent

Fiscal 2016: Budget for the next fiscal year being developed by executive branch and Congress

Fiscal 2017: Intelligence program nearing completion

Fiscal 2018: Budget in early development in executive branch

Fiscal 2019 and 2020: Budgets in long-range planning in executive branch
