

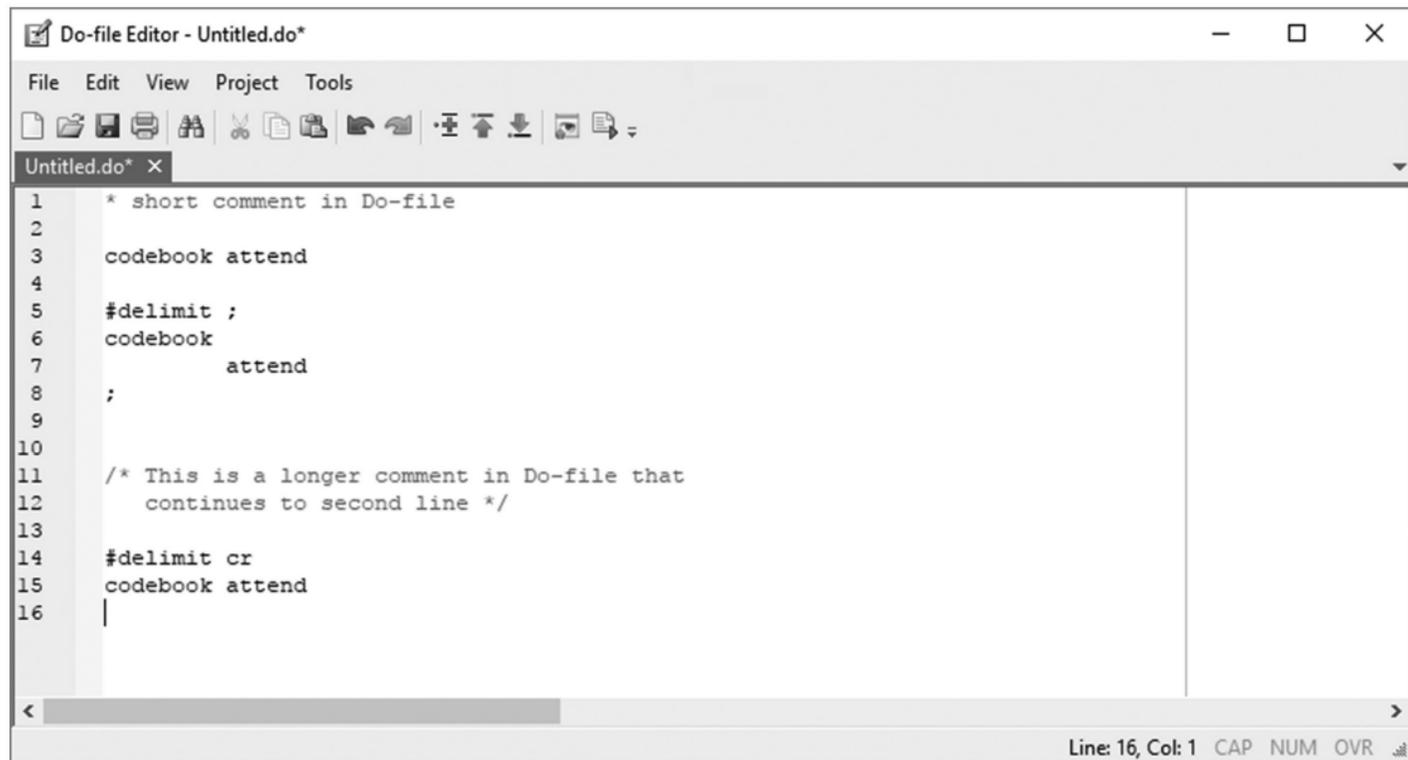

Figure 1-5 Making Comments in a Do-file

The screenshot shows a window titled "Do-file Editor - Untitled.do*" with a menu bar (File, Edit, View, Project, Tools) and a toolbar. The editor contains the following text:

```
1 * short comment in Do-file
2
3 codebook attend
4
5 #delimit ;
6 codebook
7     attend
8 ;
9
10
11 /* This is a longer comment in Do-file that
12    continues to second line */
13
14 #delimit cr
15 codebook attend
16 |
```

The status bar at the bottom right indicates "Line: 16, Col: 1" and includes icons for CAP, NUM, OVR, and a small icon.
