

Theme Six: Consolidation of key themes

Additional Activity 1: The Glossary Challenge.

Learning Objective:

- To recap and consolidate some of the key terms and messages from the intervention.

Materials required:

- Glossary Challenge Sheet.

Worksheet available?

- Yes (Glossary Challenge Sheet).

Activity Description

- The glossary challenge is a sheet with some key words and phrases from each of the different weeks, along with statements/definitions. These are in a jumbled order, so pupils must match the statements/definitions to the words by drawing lines from the word to its definition.
- This can be carried out individually or in small groups.
- Go through each answer with the class once everyone has finished.
