

## Assignment

Prepare a 5- to 10-minute voice-over PowerPoint presentation that briefly describes your organization and then goes into some detail on your specific duties/responsibilities in the prevention of another attack through the elimination of Dzhokhar Tsarnaev as a threat, as well as any known/unknown accomplices. What are your organization's roles? (Be sure to specify whether or not you have an operational law enforcement and/or intelligence role.) Are you in charge of any element of the ongoing operations? Who do you look to for direction? Do you produce or receive intelligence? If you produce it, to whom do you deliver it? If you receive intelligence, who provides it to you?
